Scotland and parts of England and Wales have recently experienced two days of the most wintry weather in many years. In Scotland the snow-drifts are 10 and 15 feet deep. We must crave the indulgence of our readers this week. We are late going to press, and we are obliged to hold over matters we desired to develop somewhat. Our establishment has been invaded by "La Grippe." Our mechanical foreman has been laid aside for a whole week, and the editor has also been attacked. We trust that by next issue things shall have come into the normal groove.

The first of the special Lenten sermons was preached in St. Dunstan's Cathedral on Sunday night last, by Very Rev. Dr. Morrison, V. G. His theme was the Sacrament of Matrimony and his text was from the 5th Chapter of St. Paul's Epistle to the Ephesians, 31st and 32nd verses. "For this cause shall a man leave his father and mother; and shall cleave to his wife, and they shall be two in one flesh. This is a great Sacrament; but I speak in Christ and in the Church." The Very Rev. gentleman's discourse was an eloquent and lucid exposition of the nature, sanctity and obligations of the Sacrament of Matrimony.

"A Catalogue of the Birds of Prince Edward Island," is the title of a neat pamphlet prepared by Mr. John McSwain of Charlottetown. This catalogue, compiled from field notes of the author, continued from 1885 to the present time, contains the names of two hundred and three birds seen by the writer during this period of thirteen years; and a Supplementary list of thirteen additional birds stated to occur in Prince Edward Island in the "Catalogue of Canadian Birds" by Professor Macoun. This is a most valuable contribution to the ornithological literature of our Province and reflects much credit on the attainments of Mr. McSwain in this interesting branch of Science.
