Notice to Mariners
 Point Platte, Miquelon,
 St. Pierre.

The following information has been received from the Vice-Consul of France, St. John's:—That owing to the bad condition of the Fog Alarm of Point Platte (Miquelon), guns are fired there, during foggy or snowy weather, every 20 minutes; but those measures having not proved efficient enough, it is thought better to advise navigators to avoid the islands during bad weather, until further notice is given.

 Deputy Min. Marine & Fisheries.
