BY JAY E. HOUSE. The majority of men are honest

The girl who has given such kisses enough in other respects, but they all has lost something she can never get pretend they like music.

Tip to book agents: If you desire to effect a sale do not tell your prospective buyer that the book has been exurgated.

When there is no need to do a thing here are always plenty of men ready nd willing to do it.

Nature's laws are perfect, but disease follows if these laws are not obeyed. Go straight to nature for the cure, to the forest; there are mysteries here that we can fathom for you. Take the bark of the wild-cherry tree, the root of mandrake, stone, Oregon grape root, queen's root, bloodroot and golden seal, make a scientific, non-alcoholic extract of them with just the right proportions and you have Tank Beverly says if a girl is all ght in other respects the fact that he doesn't catch the bride's bouquet on't handicap her.

It is announced that the Japanese vill try goat's milk. Eph Wiley says It took Dr. Pierce, with the assistance of two learned chemists, eight years of hard work experimenting to make this pure glyceric extract and alterative of the greatest efficiency and without the use of a particle of alcohol.

Just the sort of remedy you need to make rich, red blood, and cure that lassitude and feeling of nerve exhaustion.

Dr. Pierce's Golden Medical Discovery bears the stamp of Peblic Approval and has sold more largely in the past forty years than any other blood purifier and stomach tonic. they do goat's milk will be convict

The mule is believed to be the only eadly weapon the projectile of which discharged from the breech.

If a woman really loves her husis photograph. If she doesn't love im she will have her own photograph ularged.

"If you have time," said an agent to oodd Gaston yesterday, "there is a litle matter I desire to bring to your ttention." "I know it," Dodd replied, i have known it for several days. You want to sell me something. No man calls on a stranger three times a week unless he has a plan to beat

A bit of camphor in a small iron cup, placed over an alcohol lamp which has its flame turned very low the stranger out of some money." Buck Kilby says he can't understand will also put mosquiroes to flight.
When you undo a parcel, fold the paper and tie the string around it—there will always be string to fit a why women are afraid of burglars. Buck says no capable burglar would make the mistake of stealing a woman. bundle without looking for one.

In baking fish, lay the fish first on a piece of clean greased cotton cloth, then lay it in the pan, It can be lifted out easily when done.
