Those records you use every
day should be kept close to your
desk, indexed for instant re-
ference. A compact, conven-
ient, handsome stack of Section-
al Filing Cabinets with the pro-
per sizes of drawers to contain
the papers you use, and a com-
plete plan of indexing will en-
able you to find any paper in
an instant without special
thinking on your part, and will
save you many steps and much
time in the course of the day.

Hr. Grace Notes.

Mr. Thomas Freeman took some
very nice photographs of the Brigades
and others gathered at the Dock last
week at the time of the opening.
These postals make nice souvenirs to
send to absent friends.

Mr. A. Collis returned by Saturday's
train from his trip north, where he
had been extremely busy for several
months tuning pianos, organs, etc.,
and doing some agency work. His
visits included all the harbours to
Moreton's Harbour. We hear that
Mr. Collis is soon to start housekeep-
ing in this town, and has taken the
property owned by the late Henry
Webber on Harvey Street. His
mother will soon come here from
Trinity to reside. Dame rumour talks
of a very pleasant event in which
Mr. Collis will be the principal, to
take place in the near future. Con-
gratulations in advance.

A voice over the telephone from
Heart's Content tells us that wedding
bells are sounding there to-day. Mr.
Carberry, of the Anglo Staff, and
Miss Wilcox, daughter of Mr. James
Wilcox, also of the same staff, are
being united in marriage. All their
friends wish them a very pleasant
journey through life.

The Please U Theatre opened last
night, and a full house crowned the
efforts of this company. The pictures
were good, and the hearty applause
of the audience showed that they
thoroughly enjoyed the evening.
These shows are cheap and good, and
the company deserves the patronage
of the public for giving us an oppor-
tunity of spending pleasant evenings.

Mr. Thomas Burke, an old resident
of Riverhead, passed away this morn-
ing, after a short illness. Mr. Burke
was 84 years of age. He was born
on the South Side, but lived here for
a number of years with the late Denis
Shea. Mr. Burke was well known in
this town.

While coming from the theatre last
night many people were heard to ask
where the police were, as a horse and
team were standing on the sidewalk
by the Post Office. On enquiry we
found it to be the mail coach, as the
train had just arrived. Now we are
not anxious to find fault with His Ma-
jesty's mail carrier, but the police
should inform him that he must not
bring his team on the sidewalk to the
disadvantage and danger of pedestrians,
any more than other people.

Mr. James Lilly (cooper), who has
been working in St. John's, was com-
pelled owing to sickness to give up
work and come home on Saturday
last. Mr. Lilly is very ill.

Mrs. James Kent, wife of Sergeant
Kent, of Placentia, returned home on
Saturday last after a pleasant visit to
her sisters, Mrs. John Griffin and Mrs.
P. Scanlan.

We have been asked to draw the at-
tention of the Road Board to the
wretched state of the roads at Bear's
Cove. The people want good roads
and must have them. Get to work,
Mr. Chairman.

Is Your Child's Tongue Coated.

If Cross, Feverish or Stomach Sour, it
Means Waste-Clogged Bowels.

Children dearly love to take delicious
"Syrup of Figs" and nothing else
cleans and regulates their tender lit-
tle stomachs, liver and 30 feet of
bowels so promptly and thoroughly.

Children get bilious and constipated
just like grownups. Then they
get sick, the tongue is coated, stom-
ach sour, breath bad; they don't eat
or rest well; they become feverish
cross, irritable and don't want to
play. Listen Mothers — for your
child's sake don't force the little one
to swallow nauseating castor oil, or
violent calomel or harsh irritants like
Cathartic pills. A teaspoonful of
Syrup of Figs will have your child
smiling and happy again in just a
few hours. Syrup of Figs will gently
clean, sweeten and regulate the
stomach, make the liver active and
move on and out of the bowels all the
constipated matter, the sour bile, the
foul, clogged-up waste and poisons,
without causing cramps or griping.

With Syrup of Figs you are not
drugging or injuring your children.
Being composed entirely of luscious
figs, senna and aromatics it cannot be
harmful. Full directions for children
of all ages and for grown-ups printed
on the package.

Ask your druggist for the full name
"Syrup of Figs and Elixir of Senna,"
prepared by the California Fig Syrup
Co. This is the delicious tasting, genu-
ine all reliable. Refuse anything else
offered.

Schr. Ashore

A TOTAL WRECK.

Deputy Minister of Customs Le-
Messurier received the accompany-
ing message last evening from
Greenspond: "Schr. Ashore on Black
in ballast, owned by Penny & Sons,
Laird, master, ran ashore on Black
Rock near here at 7 a.m., crew saved,
but schooner will likely be a total
wreck."

Resumes Passage.

Repairs to the Donaldson Liner
Orithia, which is now on the Dry
Dock, will likely be finished to-day
and the ship will proceed to her des-
tination to-morrow evening. Stoker
McKay, who was seriously scalded
and is now in Hospital, will not be
able to join the ship as he is not yet
out of danger.

The Appetite.

Oh, this fact
will bear repeat-
ing, that unless
you're fond of
eating, every-
thing will seem
discordant in
this world that
we infest; if
your appetite is
slender life will
have no joy or
splendor, and
skeddaddling galley west. Brooding
prophets, gloomy Daniels, say we're
going to the spandels, government is
all corrupted and we're headed for
the dump; but if they were only able
to get busy at the table, things would
seem far more attractive, and their
gloom would take a slump. Nearly
all man's earthly troubles would be
evanescent bubbles, could all people
eat with gusto, morns and eves and
sunny moons; could they shovel in
their craters beef and beans and boil-
ed potatoes, succotash and ham and
s-nach, macaroni, pies and prunes.
They could not be drawn with horses
to the courts to get divorces if their
appetites were working in the good
old fashioned way; they could find
this life less hollow if they had desire
to swallow buckwheat cakes and eggs
and doughnuts, scrambled rice and
shredded hay. Life should be and is
a blessing, and the wails and sighs
distressing come from folks with
balky stomachs, though they oft mis-
place the blame. Learn to eat with
frenzied ardor, take a fall out of the
larder, and you'll soon be quite en-
amored with this cheerful human
game.

Good Voyage.

Capt. John Lewis turned out from
his banker, the schr. Metamora this
season the fine voyage of 2,900 qtls.
This was despite the fact that the
captain was late in getting out on his
spring trip and that very bad weather
was encountered during the caplin
school. Taken all round Capt. John
was in the forefront this season as
usual as a fish killer and we con-
gratulate him.
