YOUR KING and COUNTRY WANT YOU

The above is one of the most popular of the many fine patriotic songs now being sung wherever the British flag flies. It has a sweet, pathetic melody and a tender appeal in the simple words. This song has been sung specially by Miss Maggie Teyte (the greatest British Prima Donna) for the Columbia Graphophone Company, who are paying a royalty on each record sold to the Prince of Wales' Patriotic Fund.

We have just received a shipment of 2,000 Columbia Records direct from England—the largest consignment ever received in Newfoundland at one time—consisting chiefly of Patriotic Anthems, Marches and Songs. Among these are:—

- God Save the King.
- La Marseillaise.
- Arrival of the British troops in France.
- Russian National Anthem.
- Belgian National Anthem.
- My Bugler Boy.
- Follow the Drum.
- Bravo, Territorials.
- Soldiers of the King (new version).
- My Volunteer.

Come and hear Miss Maggie Teyte sing "Your King and Country Want You" at the

U. S. Picture & Portrait Co.
