Economize on Dress!

Present conditions call for a curtailment of expenses in every direction. In no item can greater retrenchment be made than in that of dress, if you employ the process of French Dry Cleaning. Old garments can be made quite like new, and if the material is too badly faded, it can be dyed a fashionable shade.

MESSRS. NICHOLLE, INKPEN & CHAFE, our St. John's Agents, will explain our methods of attending to this work and give you full particulars regarding the cleaning or dyeing of any article you have in mind.
