A Wonderful Help in Keeping the
Complexion Youthful and Clear.

Perhaps you wonder how so many women manage to have a
complexion that is always fresh and clear, and how you can
make your complexion better. Here's the secret:—

This is the Vanishing Cream that softens the skin and gives
it that soft, velvety radiance that we all desire.
Nyal's Face Cream is not oily or greasy, and it is readily ab-
sorbed by the skin, vanishing without leaving any tell tale gloss
on skin. The skin welcomes this pleasant, soothing, cooling
cream. It makes dry, tight skin soft and pliable. It makes rough
skin firm and smooth, and gradually gives to coarse rough skin
a finer, more delicate texture.

PUBLIC NOTICE

NEWFOUNDLAND PATRIOTIC AS-
SOCIATION EMPLOYMENT
COMMITTEE.

The Employment Committee has
been appointed by the Newfoundland
Patriotic Association "to take into
consideration applications for employ-
ment in civil life from returned Sold-
iers and Sailors of the Newfoundland
Regiment and Newfoundland Royal
Naval Reserve who have been granted
honourable discharges." The Com-
mittee can only perform this duty to
our returned soldiers and sailors with
the fullest help and co-operation of
all those in the Colony who employ
labour or require help or service of
any kind in which these men may be
employed. The Committee will pre-
pare and keep on file a register of all
men seeking employment, giving their
age, qualifications and experience, so
far as possible, of each applicant.
This information will be available to
prospective employers, and steps will
be taken to bring about interviews
or correspondence between employers
and soldier or sailor applicants. Ev-
ery person or firm when requiring
such help for either domestic or busi-
ness purposes is therefore invited to
communicate to the Committee the
nature of the help required, and of
the work to be done, and such other
information as may be useful.

For the present the Headquarters
of the Committee are at the Colonial
Building, St. John's, and communi-
cations should be addressed to A. E.
Parsons, Secretary of the Employment
Committee.

**Does Your Stenographer
Use a
LINE-A-TIME?**

It enables her to increase her speed
20 to 50 per cent. daily and frees her
from eye-strain, nervousness and
headaches. And the cost is compara-
tively trivial.

The Line-a-time is made in a var-
iety of sizes to support any "copy"
from stenographer's note book to any
size statistical report sheet, for bill-
ing, and copying from mailing lists,
etc.

Stands on its base behind and sepa-
rate from the typewriter, with an
operating lever beside the keyboard.
May be used on any desk with any
typewriter, with a bookkeeping and
billing machine, and with a check-
writer.

A slight pressure on the operating
lever with the right-hand little finger
brings up the line next to be copied
into view from behind the stationary
line-finder, so that the line of "copy"
being transcribed is on a level with
the typist's eyes. Thus the typist is
free from eye-strain, nervousness and
headaches that go with following
"copy" without a line-finder, or with
one that moves.

It practically eliminates the making
of errors in transcribing and copying,
because it removes the condition that
is the cause of errors.
Used by many of the largest firms
in town. We will gladly send you one
for a day, a week or a month free
trial, no obligation to buy.
