STEWART'S Home Made Bread, THE BREAD MY DADDY LIKES.

Daddy is evidently not one of those back number lords of creation who believes that woman's place is in the home—and only there. His taste in a wife is an up-to-date woman who will prove herself a real companion. He knows that if she is a slave to her kitchen she can't enjoy the poise or have the interest in world affairs that a little extra leisure would make possible; and so he is pleased to eat MRS. STEWART'S HOME MADE BREAD—the loaf with the home made flavor.

The smiling, well-nourished kiddie doesn't look as though suffering because mother is progressive enough to buy good bread made by a bread specialist, instead of wearing out her life in the kitchen.

Eat Stewart's Home Made Bread.

CONTROL

"RAYBESTOS" Brake Lining

Will always grip and hold the car in any emergency because it is made of long fibre asbestos woven with brass wire and treated in a way that gives it the greatest gripping power.

"RAYBESTOS"

gives longer wear than any other lining, and it wears evenly down to the last sixteenth of an inch. Most of the best known car manufacturers use RAYBESTOS.

Look for the silver edge: your protection against imitations.

Send your car to us to be overhauled and have the brakes relined with RAYBESTOS and protect yourself against accidents.
