eusing of fish, dumped by the Cold brage plant, as fertiliser, it was aned that the fish thus purchased processed on the year 1917, and at in order to make room in the reting chambers for newly caught it was found necessary to remove his ancient stock. It either had be dumped overboard outside the or given away to the farmers, in the interests of agriculture the ther course was taken. Haddock of hich at present such large catches being made, are not being bought the Company, the reason for this that the present run of these fish too thin for smoke processing. As a space is made by removing the fish, the purchasing of the season's the will present my th will proceed. Two hundred tons frozen salmon are now ready for iment to England, and will go forard by S. S. Digby.

Silver Jubilee.

CEL ATHLETIC ASSOCIATION. year is the twenty-fifth since ormation of the C.E.I. Athletic ocation. Without a break, during these years, the Association has a part in the sports of the city and members have, on several occasions at the events for which they competitively have on two occasions won a football League charming and They have on two occasions won a football League championship, and the always been amongst the top ams. They have also participated in the tet and rowing, and in the latter out have several times been success. This year they have put a team in Baseball League, and to-day the calcium is stronger than ever bent it is very probable that before the season closes the friends and supported that the support of the Association will fitting-telebrate its Silver Jubilee.
