A good housekeeping rule: "Use Gold Dust for all dirt you can't sweep up or brush off." Why? Because Gold Dust so quickly dissolves the grease which makes dirt stick.

TAKES OFF DANDRUFF, HAIR STOPS FALLING

Save your Hair! Get a small bottle of Danderine right now—Also stops itching scalp.

Thin, brittle, colorless and scraggy hair is mute evidence of a neglected scalp; of dandruff—that awful scurf. There is nothing so destructive to the hair as dandruff. It robs the hair of its lustre, its strength and its very life; eventually producing a feverishness and itching of the scalp, which if not remedied causes the hair roots to shrink, loosen and die—then the hair falls out fast. A little Danderine tonight—now—any time—will surely save your hair.

Get a small bottle of Knowlton's Danderine from any drug store. You surely can have beautiful hair and lots of it if you will just try a little Danderine. Save your hair! Try it!

NOTICE

Notice is hereby given that application will be made to the Legislative Assembly of British Columbia at its next session for an Act to incorporate an Association known as The Engineering and Technical Institute of B.C., with power to promote and increase the knowledge, skill and proficiency of its members in all things relating to the architectural, engineering, surveying and technical professions and to that end to establish and conduct examinations and prescribe such tests of competency and moral character as may be thought expedient and to grant certificates of membership to those approved of and to purchase or otherwise acquire and hold real and personal property for the purpose of the Institute and to dispose thereof and reinvest the proceeds in such manner as may seem fit, and to fix entrance fees and annual fees or subscriptions to be paid by the members and to vary the same from time to time, and to provide for the management of its affairs by council to be constituted in such manner as may be provided by by-law, and to have its head office and hold its annual meetings within British Columbia, and to have, enjoy and exercise all powers, rights and privileges necessary, usual or incidental to all or any of the aforesaid purposes.

Dated at Victoria, British Columbia, the 18th day of December, 1917.

SYNOPSIS OF COAL MINING REGULATIONS

Coal mining rights of the Dominion, in Manitoba, Saskatchewan and Alberta, the Yukon Territory, the North-West Territories and in a portion of British Columbia, may be leased for a term of twenty-one years at an annual rental of \$1 per acre. Not more than 2,560 will be leased to one applicant.

Application for a lease must be made by the applicant in person to the Agent or Sub-Agent of the district in which the rights applied for are situated.

In surveyed territory the land must be described by sections, or legal subdivisions of sections, and in unsurveyed territory the tract applied for shall be staked out by the applicant himself.

Each application must be accompanied by a fee of \$5 which will be refunded if the rights applied for are not available, but not otherwise. A royalty shall be paid on the merchantable output of the mine at the rate of five cents per ton.

The person operating the mine shall furnish the Agent with sworn returns accounting for the full quantity of merchantable coal mined and pay the royalty thereon. If the coal mining rights are not being operated, such returns should be furnished at least once a year. The lease will include the coal mining rights only, but the lessee may be permitted to purchase whatever available surface rights may be considered necessary for the working of the mine at the rate of \$10 an acre.

For full information application should be made to the Secretary of the Department of the Interior, Ottawa, or to any Agent or Sub-Agent of Dominion Lands.

W. W. CORY,

Deputy Minister of the Interior.
