

THE WEATHER TODAY—Fair; perhaps a little colder.

Closing at 6 o'clock every night shortens our business day. We aim to do the same volume of business during the day as we would if open at night. This is partly why we urge you to come early, though there are other reasons why you should be among the first to buy.

SAM PARKS INDICTED

Strenuous Labor Leader to Answer Perjury Charge.

New York, Oct. 21.—"Sam" Parks was indicted yesterday by the grand jury for perjury. It is alleged he committed the crime during his own trial, when he swore that he did not see Josephus Plentz, the New Jersey contractor, pay over the \$200 in cash, which it is alleged Parks received for ending a strike. Henry Farley, a waiting delegate, who recently confessed to perjury during Parks' trial, was among the witnesses examined by the grand jury.

THE WINNIPEG STRIKE

Carpenters Claim the Contractors Are Giving In.

Winnipeg, Man., Oct. 21.—The carpenters' strike situation is as follows: Of the 1,000 carpenters in the city 300 are union, and these latter struck Monday night, and the men claim 150 of the non-union men also. Monday night eight contractors signed the scale for 35 cents per hour for nine hours, and 200 men went to work. \$3 for the men claim that fifteen more contractors have signed the scale, and 125 more men will go to work. The men claim that the rest of the contractors will "give in" in a few days, as many buildings must be closed. The larger contractors are so far holding out, claiming that they are willing to pay the rate for good carpenters, but not for incompetents. They claim they can close up the buildings in defiance of the unions, and that there will be a reduction in other buildings. The union men who have gone to work are paying ten cents per hour into the strike fund.

ALGOMA CENTRAL GOES TO SPEYERS

The Injunction Against Their Claim Dissolved.

NOW HOLD ALL PROPERTIES

Possession Now Becomes Fully Operative—Judge Meredith's Remarks.

Toronto, Oct. 21.—The case of James Conmee, M. P. P., and C. M. Bowman, M. P. P., against the Speyer Company and the Algoma Central Railway Company, came before Justice Meredith yesterday morning, on motion by Walter Barwick, K.C., for plaintiffs, to continue the injunction granted last week by Judge Britton, restraining defendants from dealing with the railway. Plaintiffs, who have a judgment for \$100,000 for construction work claim to be in the position of second mortgages, and ask that defendants be compelled to give them an opportunity to redeem the property. They also ask that the mortgages to Speyer & Co. give that syndicate a fraudulent preference over other creditors.

Judge Meredith declined to take up the latter point at the present stage of the proceedings, and on the other point adjourned the argument till the afternoon, but indicated that if Conmee and Bowman wished to redeem, the proper course for them was to pay the amount of the Speyer claim into court. This, of course, they admitted their inability to do.

Judge Meredith delivered judgment in the afternoon. Dissolving the Central Trust Company. His lordship's judgment was in part as follows: "There is nothing extraordinary in this case except the large amount involved. The principles are simple and of frequent application. There should be no interlocutory order made in such a case, unless the applicants are put upon the usual terms, first, of paying the amount of the defendants' claim into court. This, of course, they admitted their inability to do.

This decision gives Speyer & Co. possession of all the property represented by the Consolidated Lake Superior Company. The injunction dissolved was all that prevented the defendants from carrying out their plan regarding possession becoming fully operative.

and the ability to do as he says, Dr. S. Goldberg, the discoverer, will send the method entirely free to all men who send him their names and address. He wants to hear from men who have stricture that they have been unable to get cured, prostatic trouble, sexual weakness, varicose veins, hemorrhoids, blood poisoning, hydrocele, emaciation of parts, impotence, etc. His wonderful method not only cures the condition itself, but likewise all the complications, such as rheumatism, bladder or kidney trouble, heart disease, etc.

The doctor realizes that one thing to make claims and another thing to back them up, so he has made it a rule not to ask for money unless he cures you, and when you are cured he feels sure you will willingly pay him a small fee. It would seem, therefore, that it is to the best interests of every man who suffers in this way to write the doctor confidentially and lay your case before him. He sends the method, as well as many booklets on the subject, including the one that contains the 14 diplomas and certificates, entirely free. Address him simply Dr. S. Goldberg, 208 Woodward avenue, Room 3, Detroit, Mich., and it will all immediately be sent you free.

This is a solution entirely new and well known to many about. Write at once.
