pieves Smash Window and Get Away With Tray of Diamonds.

Stratford, June 27. - The jewelry tore of Messrs. McNichol & Pethick was robbed during the early hours of this morning of a valuable tray of diamonds valued at from \$900 to \$1,000. The store is situated on Ontario street, immediately opposite the postoffice, and is in the full glare of an arc electric light, which is supposed to have attracted the attention of the robbers. The large plate glass window was smashed by a piece of rock and the goods taken out. The stone fell inside, and is held, as there are marks on it that may be useful in the identification of the robber or robbers. A robbery in the crowded business part of the city, which is patrolled by the night policemen, is a orroboration of the opinion that the police force is inadequate to the growing needs of more protection.
