The "long-shot" price record of the 1925 flat racing season was hung up to-day when High Star, sporting the colors of the Log Cabin stable, romped home a winner in a mile and 70 yards dash, and returned the few who had wagered \$2 on him a total of \$307.99. Prices of \$78.90 and \$25.80 were hung up for \$2 place and show bets, respectively.

It was said that only two winning said that only two winning bearing a well-developed top. It was said that only two winning tickets had been sold on High Star and one of these, according to word that went around the paddock, was held by a stable-boy who had been exercising the gelding of late.

Woodstock Nov. 4—The collegiate institute rugby officials have been notified that the second round of the Wossa junior series will bring the local students and the Kitchener collegiate together. The first game will be played at Kitchener on Saturday and the return game here on Monday afternoon as a Thanksgiving Day attraction.

Points on the round will count. Woodstock collegiate won the first round by defeating Stratford, while Kitchener only won their group after defeating such good teams as Galt, Guelph and Brantford. Since putting Stratford out of the running, Coach Entwistle has had the locals going at top speed in workouts and they are right now at their best.

Grid Gossip

Lionel Conacher will play for Argonauts in the Big Four game on Saturday afternoon against Montreal unless business reasons intervene. Conacher was out with the Double Blue last night and went through the signal practice, teaming with Moss McCormick and Ross Paul on the backfield. He showed all of his old-time form, and his showing amazed even those who knew him when he was hailed by many as the greatest of them all. Conacher has been training for several weeks and is in good condition.

If Conacher goes to the mark Argos will be able to get the better of the kicking exchanges with the Montrealers. The big fellow lifted them so far and high last night that there is no doubt but that he can outpunt any other player in the sport. In addition, Conacher is the most sensational of all ball-carriers. Not in modern football has any major eleven scored such an overwhelming victory over another major eleven as Michigan's 54 to 0 victory over the Navy on Saturday. Even back in the point-a-minute team days, Michigan piled up no such scores against important opponents. Michigan defeated Northwestern 72 to 6 in 1893. In 1901, Michigan's greatest football season, the Wolverines played 11 games and were never scored upon. They defeated Buffalo 128 to 0 and Beloit 89 to 0. In 1902 Michigan defeated Ohio State 86 to 0. Iowa 197 to 0, M. A. C. 119 to 0. In 1904, Michigan scored a 130 to 0 victory over West Virginia. The biggest shutout victories since 1904 were against Carroll in 1916, and DeFauw and Case 60 to 0. These were the only scores in the last 20 years that can compare with the 54 to 0 victory over Navy.

The Ottawas have played four games this season in the Interprovincial series without sending out advance stories about their team being weakened by casualties, but reports of that nature are being sent out from the publicity bureau this week. The Tigers lined up two strong teams last evening without calling on the intermediates for help, which shows that Marriott has no cause to worry through lack of material. The teams were at it for an hour steady, and it was one of the most beneficial works of the season. What pleased the Tiger officials and the railbirds was that both Bert Gibb and Brian Timmis were in the thick of the fight and neither showed any effects of recent injuries.

Joe Tubman has been heralded as one of the best punters in the "big four" and Ottawa papers are looking forward to a great duel when he starts to exchange kicks with Rayner, but they evidently overlook the fact that Bert Gibb wields a great hoof and that he may also give Tubman more than be expects.
