

GENUINE ECONOMIES IN DESIRABLE MERCHANDISE

The values that we mention in our daily news to you are real and genuine. It would, perhaps, be well to stop and consider how it is possible for us to offer goods at the prices we do. No firm in Canada can buy goods more closely than we can, and we always have buyers in the markets on the lookout for anything that is to be had at price concessions. The manufacturers know that we will handle any quantity of goods providing that the price is right, and therefore give us first choice on their best special lots.
