TOWN COUNCIL DISCUSS ST. EXTENSION

A meeting of the Town Council was held on Tuesday evening. His Worship Mayor McDonald presiding over a full attendance of councillors.

The minutes of the previous meeting were read and confirmed. Communication received from Mr. John B. Christopher re the continuing of Hillside Street, westward to afford an outlet to tenants south of the I. C. R. tract on Christopher's land. Heretofore the tenants were allowed over private property to Gerrard Street, but this property having changed hands, the people are now debarred from using this way. After discussion on the Communication which elicited the fact that some of the landowners in the vicinity were willing to give land for street purposes to the town a special committee comprising Councillors Miller and White were appointed to interview Mr. R. L. Duncan regarding a proposed street.

Communication was read from Mrs. Robert Nelson regarding the dumping ground and after discussion on this question the Town Engineer was instructed to prepare plans and submit estimates for a proposed dump, lying ground at the new power station.

The chairman of the various committees presented their reports recommending various accounts which were all received and adopted as follows:—Councillor Lunan from Police and Licenses accounts amounting to \$48.30; Councillor Miller from Finance committee \$7.25; Councillor Moore from Public Charities committee \$76.00; Councillor Alexander from Water and Sewerage committee \$457.81; Councillor Pinault from Public Property and Streets committee \$170.08; Councillor White from Fire Protection committee, \$59.50.

SKIN TROUBLES GROW WORSE

Eczema, Psoriasis, and other skin troubles are caused by myriads of germs at work in the skin. Unless these germs are promptly destroyed they rapidly multiply, gnawing their way deep into the sensitive tissue. This is what causes that awful itch, and what seems a mere rash may grow worse and develop into a loathsome and torturing skin disease with its years and years of misery.

Don't take any chances! Destroy the germs at the beginning of the trouble with that soothing and cleansing wash, the D. D. D. Prescription for Eczema.

We have had experience with many remedies for skin trouble but have never known such remarkable cures as those from D. D. D. Prescription. Instant relief from the very first application.

If you have skin trouble of any kind, we certainly advise you to drop in and investigate the merits of D. D. D. or why not drop a line to the D. D. D. Laboratories, Dept. C. D. 49 Colborne St., Toronto.

We know that D. D. D. will help you.
