ment had been tardy to her negociamons.—
She had done wrong by this saidness, to Maine Her neglect demanded explanation, and Maine had a right to complain of the General Government and her neglect of duty. More than this, she was right in driving the trespossers from the disputed territory—justly enraged by the unwarranted claim set up by Sir John Harvey, and the tone of his letter to the Governor of Maine.

But no more than this could Mr. Clay say in defence. She was hat one of the 26 States of the Country Savings are the School of Arts which he has easily the first at the jurisdiction of Her Majesty.

It is hardly possible that the General Government of the United States can be a party to, or uphold sum of £702 12s. 5d. to reconnected them to be set a party to, or uphold to be set a party to, or uphold or justify the Governor and Legistical of the sum of £50 or and of private subscriptions for carrying in defence. She was hat one of the 26 States of the Countral Government than the Countral Government than the could Mr. Clay say in defence. She was hat one of the 26 States of the Countral Government than the could Mr. Clay say in defence. She was hat one of the 26 States of the Countral Government than the countral Government than and on private subscriptions for carrying in defence. She was hat one of the 26 States of the Countral Government than the countral Government than the countral Government than a double siegh or wargon they have resorted to, in invading a State with which says great and details and of private subscriptions for carrying the proceedings they have resorted to, in invading a State with which they were at peace; but, should that the inhabitions of British. more power in the General Government than with two horses, for the accommodation of find that the inhabitimis of British Kentusky, and the power to declare war passengers, between Saint Andrews and S.
