And I hereby further Proclaim and give Public Notice, that the said Election will be closed on Tuesday the 11th day of October next, at the hour of 12 o'clock, noon, at the County Court House, aforesaid, and the persons chosen to serve in the said General Assembly, will be then and there openly declared: of all which said Proclamations, all persons will take due notice, and govern themselves accordingly.

THOS. JONES,
High Sheriff of Charlotte,
Sheriff's Office, St. Andrews, Sep. 22, 1846.

TO THE INDEPENDENT ELECTORS OF THE COUNTY OF CHARLOTTE.

GENTLEMEN.—Having had the honour of serving as your Representative in the House of Assembly for the last sixteen years, and having lately received many solicitations and assurances of support from various parts of the County, I am encouraged again to offer myself as a candidate for your suffrages, and for that purpose intend to appear before you at the approaching general election.

You can have no difficulty in making up your minds with regard to the fitness of one who has been so long in your service, and with whose public character and conduct you are so well acquainted; and should the result of the coming election prove that I still retain your confidence, you may depend upon the continuance of my most earnest endeavours to promote all the various interests of this County, and also the public good of the Province at large.

I remain,
Gentlemen,
Your faithful Servant,
JAMES BROWN.

St. David, Sep. 22, 1846.

TO THE FREEHOLDERS OF THE COUNTY OF CHARLOTTE.

GENTLEMEN.—I shall offer myself as a Candidate for the representation of the County at the ensuing Election. My father was an American Loyalist—one of that "Gallant Band," whose devotion to British connection, caused them to exchange the fertile fields of their native land, for the woods and snows of Nova Scotia and New Brunswick—the comforts, the luxuries of life, for the solitude, the horrors, of a howling wilderness.

A residence of nearly seventeen years in the Province, has afforded me in some degree, the means of becoming acquainted with its Agriculture, Lumbering and Fishing interests. These, I shall foster to the utmost of my power, should I become the object of your choice. All measures having a tendency, in my opinion, to promote the public welfare, I will cordially support.

The blessings of Education, I will endeavour to diffuse as generally as possible; giving to the children of the poor man, as well as to those of the rich man, an opportunity of fair competition for the prizes of wealth or honor, in the lottery of life.

I am,
Your Obedt. Servt.,
JAMES W. CHANDLER.
St. Andrews, September 24, 1846.

TO THE ELECTORS OF THE COUNTY OF CHARLOTTE.

GENTLEMEN.—In compliance with the earnest request of many of my friends, in this and other sections of the County, I beg leave to offer myself as a candidate for your suffrages at the approaching General Election, and unconnected with any other candidate, I respectfully solicit your support. During the time I had the honor of being one of your representatives in the House of Assembly, I invariably and consistently endeavored to maintain and promote the interests and rights of the people, to the utmost, without however, attempting to encroach on the prerogative of the Crown, and if I be again honored by your confidence, I will steadily pursue the same constitutional course.

I am,
Gentlemen,
Your most respectfully,
ROBERT THOMSON.
St. George, Sept. 22, 1846.

TO THE FREEHOLDERS OF THE COUNTY OF CHARLOTTE.

GENTLEMEN.—I am requested by many respectable and influential persons in the several Parishes of the County, to offer myself as a Candidate at the approaching election. Encouraged and influenced by these requisitions, I now offer myself for your suffrages, and in doing so, I owe to you, Gentlemen, and to myself, briefly to state the principles by which I shall be directed in the event of your selecting me as one of your Representatives.

I shall endeavor to bring our Colonial expenditure within economical bounds, which consequently will enable us to reduce the excessive revenue of the Province, convinced as I am, that for all just and requisite purposes, our revenue should not exceed sixty thousand pounds annually; whereas at the present it amounts to the enormous sum of one hundred and thirty thousand. So large, and so oppressive a revenue, is considered by some as an indication of the growing prosperity of this Province; but I widely differ from them, knowing that a large amount of our revenue is collected from taxes imposed judiciously on the necessary articles required for your domestic comforts.

I shall therefore use every exertion to modify, if not totally abolish, the duties collected from the principal articles consumed by the mass of the people.

To the great and bye Roads of the Province, I shall pay the strictest attention, and will cordially support, the passing of an Act taxing all blocks of wilderness lands of five hundred acres and upwards, now held, or hereafter to be held, by private individuals; the Tax to be appropriated for opening and repairing Roads.

Our present school law imperatively requires reformation—I shall therefore consider it my duty to have it so reformed, that the amount now contributed by the inhabitants for the support of our schools, together with the Provincial Grants, shall be most beneficially appropriated.

The present management of the Emigrant fund, (arising from a Tax imposed on each emigrant coming into this province,) is so inconsistent with the objects for which it was established, that it requires to be placed on a more equitable footing.

I pledge myself therefore, that no endeavor of mine shall be wanting, to place this fund, under such ready control, that when required for the alleviation of the poor emigrant, it shall be directly available.

The home Government having conceded to us the right of self Legislation, I shall regard it as one of my most important Legislative duties, to see that our Province participate in these benefits, of which that right when wisely managed, must necessarily be productive.

If then Gentlemen you select me as one of your representatives I can assure you that every exertion in my power shall be used for the furtherance of the prosperity of the Province in general and of this County in particular.

I am Gentlemen,
Your humble servant,
B. R. FITZGERALD.
Saint Andrews, Sep. 22, 1846.

TO THE ELECTORS OF THE COUNTY OF CHARLOTTE.

GENTLEMEN.—By the dissolution of the House of Assembly, my connection with you, as one of your representatives ceases, I trust however, only for a short time. The general election will take place early in the ensuing month, and I again, at the request of a large number of the constituency, offer myself as a Candidate for your suffrages. I have served you, seven years, and I am gratified to learn, that my exertions generally on your behalf, have been crowned with success; and that the course pursued by me in the Legislature, has been approved of. I have nothing to promise you, (the others may,) except you should be pleased to lay your commands on me again, in that case, you may confidently rely, that nothing shall be wanting on my part, to promote the interests of the Province generally, and the County of Charlotte particularly.

I have the honor to be Gentlemen,
Your Obedt. Servt.
JAMES BOYD

The Subscriber at the ensuing General Election of members to serve in the General Assembly intends to be a candidate for the suffrages of the Electors. He expects to be tried by his past conduct, and this, of course, furnishes the best assurance of his future course, in the event of his being elected.

Your Obedient Servant,
GEORGE S. HILL.

TO THE FREEHOLDERS OF THE COUNTY OF CHARLOTTE.

GENTLEMEN.—Having received most flattering Requisitions, signed by the Magistrates and Freeholders of the Parishes of Grand Manan, West Isles, and Campobello, as almost to amount to an unanimous wish on the part of the inhabitants of those parishes, to offer myself as a Candidate at the ensuing Election, and having had most cordial promises of support from most of the other parts of the County—upon the principle that this district is entitled to a Member upon a fair division of Charlotte—(although far be it from me to advocate the system of a mere local Member, a man who goes for the County ought to be a Member for all parts of it, and this is an only local subject that a resident could give such information upon that others could not.)—I beg leave upon these grounds to offer myself to the Electors of Charlotte for their suffrages—there may be some Parishes in which I have not the good fortune to be much known, but the same may be of other Candidates as regards these Parishes. But as I before stated, it is almost the universal wish of my neighbors that I should offer myself, and if that stands for any good at an Election in the minds and opinions of other persons, my friends have no misgivings as to the state of the Poll on the day of Election.

I shall make it my business prior to the Election, to be in every Parish and see as many of the inhabitants as possible; until then

Your faithful Servant,
