Parts, 22d, Noy .- By way of precaution, day, that the President had given directions immediately. PARts, 22d. Nov.—By way of precaution, in case of a possible rupture with the United States, our naval stations are about to be re-inforced. Rear Admiral Mackau, appointed governor of Martinique, in place of Admiral Halgeas, will command the land and sea for-ces in the Anthles. Three ships of the line, and as meny frigates, will be added to our equadron in these waters. The prevident had given directions in the Navy put in immediate commission — This may be true and it may not, but the measure oright to have been respired to long ago, as an effort to pre-serve peace, by preparing for war.—Bu. Pat. CLAIMS of The States and Montreat in the Prevident had given directions in the Anthles. Three ships of the line, and as meny frigates, will be added to our requadron in these waters.

By the following letter published in the N. Treaty/concluded their labors on the right of partnet links, connecting Your Majesty's pos-the Bist off, and finally adjourned. The com-sessions upon the Grand Lakes, with the Trade
