This Company will sell its instruments at prices
ranging from \$10 to \$25 per set. These instru-
ments are under the protection of the Company's
patents, and purchasers are therefore entirely free
from risk of litigation.

This Company will arrange to connect places
not having telegraphic facilities with the nearest
telegraph office, or it will build private lines for
firms or individuals, connecting their places of
business or residences. It is also prepared to
manufacture all kinds of electrical apparatus.

Full particulars can be obtained from the Com-
pany's offices as above, or at St. J. St., N. H., Hamil-
ton, N.S., Winnipeg, Man., Victoria, B.C.
