

3 Things

CANADIAN
TEACHERS
SHOULD KNOW:

- 1st—That total abstinence pays from a health standpoint, as total abstainers on the average live much longer than non-abstainers.
- 2nd—That total abstainers should have lower rates on "Without Profit" Policies or separate classification for profits.
- 3rd—That they can get all the advantages they should have by insuring in

THE TEMPERANCE AND GENERAL LIFE ASSURANCE COMPANY.

which has a larger body of total abstainers classed by themselves than any other company in America.
