**A NOTED BUT UNTITLED WOMAN.**  
(From the Boston Globe.)

**Mrs. P. Pinkham**—  
The above is a good likeness of Mrs. Lydia E. Pink-  
ham, of Lynn, Mass., who above all other human beings  
may be truthfully called the "Dear Friend of Woman,"  
as some of her correspondents love to call her. She  
is zealously devoted to her work, which is the outcome  
of a life-study, and is obliged to keep six lady  
assistants, to help her answer the large correspondence  
which daily pours in upon her, each bearing its special  
burden of suffering, or joy at release from it. Her  
Vegetable Compound is a medicine for good and not  
evil purposes. I have personally investigated it and  
am satisfied of the truth of this.

On account of its proven merits it is recommended  
and prescribed by the best physicians in the country.  
One says: "It works like a charm and saves much  
pain. It will cure entirely the worst form of falling  
of the uterus, Leucorrhoea, irregular and painful  
menstruation, all Ovarian Troubles, inflammation and  
Ulceration, Floodings, all Displacements and the con-  
sequent spinal weakness, and is especially adapted to  
the Change of Life."

It permeates every portion of the system, and gives  
new life and vigor. It removes faintness, flatulency,  
destroys all craving for stimulants, and relieves weak-  
ness of the stomach. It cures indigestion, nervousness,  
Nervous Prostration, General Debility, Sleeplessness,  
Depression and Indigestion. That feeling of bearing  
down, causing pain, weight and backache, is always  
permanently cured by its use. It will at all times, and  
under all circumstances, act in harmony with the law  
that governs the female system.

It costs only \$1. per bottle or six for \$5 and is sold by  
druggists. Any advice required as to special cases, and  
the names of many who have been restored to perfect  
health by the use of the Vegetable Compound, can be  
obtained by addressing Mrs. P., with stamp for reply,  
at her home in Lynn, Mass.

For Kidney Complaint of either sex this compound is  
unsurpassed as abundant testimonials show.

"Mrs. Pinkham's Liver Pills," says one writer, "are  
the best in the world for the cure of Constipation,  
Biliousness and Torpidity of the Liver. Her Blood  
Purifier works wonders in its special line and bids fair  
to equal the Compound in its popularity."

All must respect her as an Angel of Mercy whose sole  
ambition is to do good to others.

**WOMAN AND HER DISEASES**  
is the title of a large illustrated treatise by Dr. J. C. Ayer,  
Pierce, Buffalo, N. Y., sent to any address, by three  
stamp. It teaches successful self-treatment.

**Scientific and Useful.**

**ROAST VEAL.**—Veal should be roasted  
twice as long as beef or mutton, and should  
be thoroughly basted while cooking, as the  
flesh is dry. An excellent addition to the  
made gravy is two tablespoonfuls of strained  
stewed tomato, or a teaspoonful of tomato  
catsup; they should be heated together over  
the fire for a few minutes.

The Fire and Gas Committee have awarded  
the contract for the firemen's clothing to Pe-  
tley & Peuley, their tender being the lowest.  
This popular firm are also making the uni-  
forms for the letter carriers of the Post Office  
Department. This certainly is a proof  
of the ability of Petley & Peuley to ably com-  
pete with all other houses in the city in the  
manufacture of clothing.

**RIPE CUCUMBER PICKLES.**—Pare and  
seed ripe cucumbers. Cut each cucumber  
lengthwise into four pieces, or cut it into  
fancy shapes, as preferred. Let them stand  
twenty-four hours covered with cold vinegar.  
Drain them; then put them into fresh vine-  
gar, with two pounds of sugar, and one ounce  
of cassia buds, to one quart of vinegar. Boil  
all together twenty minutes. Cover them  
closely in a jar.

**CINNAMON TARTS.**—They please the  
children. To eight ounces of butter allow  
one pound of flour, one pound of brown  
sugar, three eggs; rub the butter and sugar  
to a cream, add the eggs, leaving out the  
white of one, stir in the flour, roll thin and  
cut in three-inch squares. Before putting  
into the oven, rub the top with the white of  
the egg, and sprinkle with cinnamon and  
sugar mixed. A blanched almond or an Es-  
sential walnut may be placed in the centre, or  
may be broken in bits and a piece put in each  
corner.

**ESCALLOPED POTATOES.**—Butter the bot-  
tom and sides of a tin basin; then slice and  
lay in a layer of cold boiled potatoes;  
sprinkle some pepper and salt and a little  
lump of butter over it; then dust it with  
flour, and put another layer of potatoes,  
etc., until you have prepared the requisite  
number of potatoes. Over the top put a  
layer of cracker crumbs to the depth of half  
an inch; pour over this a little more than  
one cup of sweet milk—cream if you can get  
it. Set the basin in the oven, which should  
be moderately warm, and keep it in there,  
with a steady fire going, for about half an  
hour.

**SLICED PEPPER PICKLE.**—Remove the  
seeds from large, green peppers, slice them,  
and lay them in a jar, alternating each layer  
of peppers with chopped cabbage, then cover  
them with salt and let them stand over night.  
In the morning drain off the water. In suf-  
ficient vinegar to cover the pickle, put an  
ounce each of black and white mustard  
seed, whole cloves and allspice, one half  
ounce of celery seed, and one head of garlic.  
Let this come to a boil and pour it over the  
peppers. Pack tightly in a jar, cover with  
horse-radish leaves, and close up tightly. If  
you do not like much garlic skim it out before  
pouring the vinegar over the pickle, or use a  
large onion instead.

**POTATO PANCAKES.**—Potato pancakes  
make an excellent dish for supper. Serve  
with the same embellishments in the way of  
pickles, sauces, as you would do were the  
dish you were offering fried oysters. Grate  
a dozen medium-sized potatoes, after peeling  
them and washing thoroughly. Add the  
yolks of three eggs, a heaping tablespoonful  
flour, and if they seem too dry, a little milk  
will do to thin them, with a large teaspoon-  
ful of salt, and lastly the whites of the three  
eggs beaten stiff, and thoroughly beaten in  
with the potatoes. Heat your griddle and  
put butter and lard in equal proportions on  
it, and fry the cakes in it until they are  
brown. Make them a third larger than the  
ordinary size of the pancake.

The Great Dr. Virchow  
has resigned from the medical association of  
Berlin. He won't be forced to keep "his  
light under a bushel." He approves of ad-  
vertising any remedy or combination that  
will cure, regardless of medical ethics. The  
surgeons of the International Throat and  
Lung Institute, head office in London, Eng-  
land, and branch offices in Montreal, Toronto,  
Winnipeg, and Detroit, Minn., and Dr. M.  
Souvielle's wonderful Invention, the Spi-  
rometer, are curing thousands of cases of bron-  
chitis, consumption, catarrh, asthma, and  
catarrh of the larynx, and are making it known  
to physicians and sufferers all over the world.  
Physicians and sufferers are invited to call  
and try the Spirometer free. If impossible  
to call personally, write, enclosing stamp,  
for full particulars, and copy of "Internat-  
ional News," published monthly. Address

**FOR THE  
KIDNEYS, LIVER & URINARY ORGANS  
THE BEST BLOOD PURIFIER.**

There is only one way by which any disease  
can be cured, and that is by removing the  
cause—whatever it may be. The great medical  
authorities of the day declare that nearly every  
disease is caused by deranged kidneys or liver.  
To restore these therefore is the only way by  
which health can be secured. Here is where  
**WARNER'S SAFE CURE** has achieved its  
great reputation. It acts directly upon the  
kidneys and liver, and by placing them in a  
healthy condition drives disease and pain from  
the system. For all Kidney, Liver and Urinary  
troubles; for the distressing disorders of wom-  
en, for Malaria, and physical troubles gener-  
ally this great remedy has no equal. Beware  
of impostors, imitations and concoctions said to  
be just as good.

EXPERIENCE.**

"Calvert, Texas,  
May 3, 1883.  
I wish to express my appreciation of the  
valuable qualities of

**Ayer's Cherry Pectoral**

as a cough remedy.  
"While with Churchill's army before  
the battle of Vicksburg, I contracted a se-  
vere cold, which terminated in a dangerous  
cough. I found no relief till on our march  
we came to a country store, where, on asking  
for some remedy, I was urged to try **AYER'S  
CHERRY PECTORAL.**  
"I did so, and was rapidly cured. Since  
then I have kept the **PECTORAL** constantly by  
me, for family use, and I have found it to be  
an invaluable remedy for throat and lung  
diseases.  
J. W. WHITLEY."

Thousands of testimonials certify to the  
prompt cure of all bronchial and lung  
affections, by the use of **AYER'S CHERRY  
PECTORAL.** Being very palatable, the young-

**Blessed Benefactors.**

When a board of eminent physicians and  
chemists announced the discovery that by  
combining some well-known valuable reme-  
dies, the most wonderful medicine was pro-  
duced, which would cure such a wide range  
of diseases that most all other remedies could  
be dispensed with, many were sceptical; but  
proof of its merits by actual trial has dis-  
pelled all doubt, and to-day the discoverers  
of that great medicine, **Hop Bitters**, are  
honoured and blessed by all as benefactors.  
These Bitters are compounded from Hop,  
Buchu, Malt, Mandrake and Dandelion, and  
other oldest, best and most valuable medi-  
cines in the world, and contain all the best  
and most curative principles of all other  
medicines, being the best Blood Purifier,  
Kidney and Liver Regulator, and Life and  
Health Restoring Agent in earth. No dis-  
ease or ill health can possibly long exist  
where these Bitters are used, so varied and  
perfect are their operations.

They give new life and vigour to the aged  
and infirm. To all whose employments cause  
irregularities of the bowels or urinary organs,  
or who require an Appetizer, Tonic and mild  
Stimulant, these Bitters are invaluable, being  
highly curative, tonic and stimulating, with-  
out intoxicating.

No matter what your feelings or symptoms  
are, what the disease or ailment is, use **Hop  
Bitters.** Don't wait until you are sick, but  
if you only feel bad or miserable, use the  
Bitters at once. It may save your life.  
Hundreds have been saved by so doing.  
\$5000 will be paid for a case they will  
not cure or help.

Do not suffer yourself or let your friends  
suffer, but use and urge them to use **Hop  
Bitters.**

Remember **Hop Bitters** is the purest and  
best medicine ever made; the "Invalid's  
Friend and Hope." No person or family  
should be without them.

"I was troubled for many years with seri-  
ous Kidney and Liver Complaint, Gravel,  
etc.; my blood became thin; I was dull and  
inactive; could hardly crawl about, and was  
an old worn out man all over, and could get  
nothing to help me, until I got **Hop Bitters**,  
and now I am a boy again. My blood is  
pure, kidneys are all right, and I am as active  
as a man of thirty, although I am seventy-  
two."—FATHER.

"For ten years my wife was confined to  
her bed with such a complication of ailments  
that no doctor could tell what was the matter  
or cure her, and I used up a small fortune in  
humburg stuff." Six months ago I saw a U.S.  
flag with **Hop Bitters** on it, and I thought I  
would be a fool once more, and I tried it,  
but my folly proved to be wisdom, and two  
bottles cured her; she is now as well and  
strong as any man's wife, and it cost me only  
two dollars.

**A GREAT SOURCE OF EVIL.**—Every fam-  
ily will admit that one of the most destruc-  
tive evils to good crops is that of worms or  
parasites that prey upon vegetable life; other  
species of worms infect the human system  
and are productive of much suffering and ill  
health. Freeman's Worm Powders will ef-  
fectually rid the system of this trouble, are  
pleasant to take, and contain their own  
cathartic.

It is a remarkable fact that Dr. Thomas'  
Electric Oil is as good for internal as external  
use. For disease of the lungs, and throat, and  
for rheumatism, neuralgia, pain in the back,  
wounds and sores, it is the best down reme-  
dy, and much trouble is saved by having it  
always on hand.

Jacob Looekman, Buffalo, says he has been  
using it for rheumatism. He had such a lame  
back that he could do nothing, but one  
bottle entirely cured him.

Dr. Dresser, cloak, coat, stockings and  
all garments can be coloured successfully  
with the **Diamond Dyes.** Fashionable colours  
only 10c.

MR. W. MAGUIRE, Merchant, at Frank-  
lin, writes: "I was afflicted with pain in my  
shoulder for eight years—most helpless at  
times—have tried many remedies, but with  
no relief, until I used Dr. Thomas' Electric  
Oil. After a few applications the pain left  
me entirely, and I have had no pains since.  
Do not take Electric or Electron Oils, but  
see that you get Dr. Thomas' Electric Oil!"  
The superiority of Mother Graves' Worm  
Exterminator is shown by its good effects on  
the children.

CURNS cause intolerable pain. Holloway's  
Corn Cure removes the trouble.

"Ladies, if you would be forever redeemed  
from the frequent diseases that, in thou-  
sands of cases, deprive the spirits and abso-  
lutely fetter all the energies of womanhood,  
you have only to get **LYDIA E. PINKHAM'S  
Vegetable Compound.**"
