PRACTICAL REMARKS AND OBSERVATIONS.

By **MATTHEW HENRY.**

With Memoirs of his Life, Character and Writings. By **SIR J. BICKERTON WILLIAMS, LL.D.**

A New and Illustrated Edition, with an Introductory Essay by **Rév. John Stoughton.**

SIX VOLUMES. CLOTH. \$8 00 NET.

"This is a Commentary of a practical and devotional, rather than of a critical, kind. . . . Its unflinching good sense, its discriminating thought, its high moral tone, its simple piety, and its altogether singular felicity of practical application, combined with the well-sustained flow of its English style, has secured for it, and deservedly, the foremost place among the works of its class."
