OBITUARY.

Died at Allahabad, India, on the 13th of Sept., Staff Assistant Surgeon, Dr. John Dickson, son of Dr. Dickson, Medical Superintendent of Rockwood Asylum.

Dr Dickson graduated at Queen's College, Kingston, four years ago, he went to England and was admitted a member of the Royal College of Surgeons, Lond., and Licentiate of the R. C. P., Edin. He was then about one year and a half House Surgeon of the Royal Free Hospital, London. About 18 months ago he successfully passed the competitive examination for the Army Medical Service and was only about a year in India when he died.

He was convalescing from Dengue Fever (a new disease there,) which weakened him and rendered him more susceptible of Cholera of which he became a victim.

General regret is felt at his untimely end, as he was a favourite with all who knew him, skilled in his profession, amiable in his manner and a perfect gentleman, he is really a loss to the service, and the department to which he belonged.

1. Subscribers who do not give express notice to the contrary, are considered as wishing to continue their subscriptions.

2. If subscribers order the discontinuance of their periodicals or newspapers, the publisher or publishers may continue to send them until all arrears are paid up, and subscribers are held responsible for all numbers sent.

3. If subscribers neglect or refuse to take the periodicals or newspapers from the office to which they are directed, they are held responsible till they have settled their bills. Sending numbers back, or leaving them in the office, is not such notice of discontinuance as the law requires.

4. If subscribers remove to other places without informing the publisher, and their periodicals or newspapers are sent to the former directions, they are held responsible.
