

WARNER & CO'S PHOSPHORUS PILLS.

Lapse of Memory, Impotency, Softening of the Brain, Loss of Nerve Power, Phthisis, Paralysis and Neuralgia.

Its use in the above named complaints, is supported by no less authority than Prof. Delpech, Prof. Fisher, to Berlin, Dr. Eames, (in the *Dublin Journal*), Dr. Burgess, and Dr. Hammond, of New York. The special treatment indicated in these cases is: 1st. Complete rest of mind, especially abstinence from all occupations resembling that upon which the mind has been overworked; 2nd. The encouragement of any new hobby or study not in itself painful, which the patient might select; 3rd. Tranquility to the senses, which expressly give in these cases incorrect impressions, putting only those objects before them calculated to soothe the mind; 4th. A very nourishing diet, especially of shell-fish; 5th. *The internal administration of Phosphorus in Pilular form, prepared by WILLIAM R. WARNER & CO.*
