DATE OF PUBLICATION.

Architects, Engineers, Municipal Authorities and others are reminded that the CONTRACT RECORD is printed every Tuesday afternoon, and that advertisements should reach the office of publication not later than 2 o'clock p.m. on that day to ensure insertion in the issue of the current week. Advertisements are frequently received too late for insertion, to avoid which special attention is directed to this announcement.

BUSINESS NOTES.

James & Huot have registered partnership in Montreal as roofers.

Bolton Bros., painters and decorators, have sold out to D. Lafortune.

Poupore & Malone, contractors, Montreal, have registered partnership.

As a rule spots on painted work are due to one of two causes, viz., poor timber or too thin a coat of paint. The latter fault includes an improperly prepared ground in priming. It cannot too often be pointed out that no good work in painting is possible if the priming coat is faulty.
