

"A pure, delicious and antiseptic Dentifrice in a powder form that exercises a decidedly preservative influence on the teeth, as well as keeping them free from all tartaric deposits, germs, etc. The fresh, grateful aroma of the Teaberry leaf is an agreeable finish for your ablutions. "Teaberry" is a favorite Dentifrice of many years standing—if you once try it you will use no other.

At all druggists, 25c. per bottle.

**FOR THE TEETH.**

## THE OLD AND THE NEW

Whatever its form or finish, old Silver is quickly brought to a degree of brilliancy quite equal that of new, when cleaned with

# ELECTRO Silver Polish SILICON

and new Silver retains its beauty and brilliancy indefinitely, without scratch or blemish. That's why Electro-Silicon is unlike all others. Trial quantity for the asking.

At Grocers and Druggists.

Box, postpaid, 15 cts. (stamp).
