

The Pick of the Bulb World

All our bulbs are grown for us especially and are personally selected by the James Carter & Co. experts.

Thorough tests, both before exportation and at the Carter establishment at Raynes Park, London, assure sound, healthy bulbs of the very highest quality. Our Tulips and Narcissus are exceptionally hardy and well suited to the Canadian climate.

Carters Bulbs

are unequalled for bowl or bed culture.

The Carter catalogue and handbook—"Bulbs"—illustrates and describes the choicest varieties of Tulips, Narcissus, Daffodils, Crocus and many others. It lists all well-known favorites and many exclusive kinds not to be had elsewhere. Complimentary copy on request.
