**DONALD KENNEDY
Of Roxbury, Mass., says**

My Medical Discovery seldom
takes hold of two people alike! Why?
Because no two people have the same
weak spot. Beginning at the stomach it
goes searching through the body for any
hidden humor. Nine times out of ten, it
ward humor makes the weak spot. Per-
haps its only a little sediment left on a
nerve or in a gland; the Medical Discovery
alides it right along, and you find quick
happiness from the first bottle. Perhaps
its a big sediment or open sore, well settled
somewhere, ready to fight. The Medical
Discovery begins the fight, and you think
it pretty hard, but soon you thank me for
making something that has reached your
weakspot. Write me if you want to know
more about it.

**GRATEFUL—COMFORTING.
EPPS'S COCOA.
BREAKFAST.**

"By a thorough knowledge of the natural
laws which govern the operations of diges-
tion and nutrition, and by a careful ap-
plication of the fine properties of well-selected
Cocoa, Mr. Epps has provided our breakfast
tables with a delicately flavored beverage
which may save us many heavy doctors'
bills. It is by the judicious use of such arti-
cles of diet that a constitution may be grad-
ually built up until strong enough to resist
every tendency to disease. Hundreds of
subtle maladies are floating around us ready
to attack wherever there is a weak point.
We may escape many a fatal shaft by keep-
ing ourselves well fortified with pure blood
and a properly nourished frame."—*West
