GUM-COATED FOREST PILLS.

(A Sarsaparilla preparation of unexampled efficacy.) These Pills are prepared from the best Sarsaparilla, combined with other Vegetable properties of the highest Medicinal virtue. They are warranted notto contain any Mercury or Mineral whatever. They purge without griping, nausenting, or weakening; can be taken at any time, without hindrance from business, change of diet, or danger of taking cold. They neither have the taste nor the smell of medicine, and are five times more effectual in the cure of discasses than any Pills in use.

diseases than any Pills in use.
But a short time has clapsed since these great and good Pills were first made known to the public, yet thousands have already experienced their good effects: Invalids, given over by their Physicians as incurable, have found relief, and been restored to cound and vigorous health from their use.

TO FATHERS OF FAMILIES.

Bile and foul state of the stomach occasion more sickness and deaths in families, than all other causes of disease put together. Sometimes whole families are taken down by malignant levers, Fever and Ague, and other dangerous disorders, all proceeding from a bilious and foul state of the stomach. No parent can be so ignorant as not to know the great danger existing from biliousness—no purent would be guilty of causing

DEATH OF HIS OWN CHILDREN!!

Yet thousands of children and adults die every year through neglect of parents to attend to the early symptoms of bile and foul stomach.

foul stomach.

Superfluity of bile may always be known by some unfavorable symptom which it produces, such as sick stomach, headache, loss of appetite, bitter taste in the mouth, yellow tint of the skin, languidness, costiveness, or other symptoms of a similar nature. Almost every person gets bilious, the neglect of which is sure to bring on some dangerous disorder, frequently terminating in death. A single 25 cent box of Dr. Hulsey's Gum-conted Forest Bills is sufficient to known a whole family from billows of the state of the stat est Pills, is sufficient to keep a whole family from bilious attacks and sickness, from six months to a year. A single dose, from 1 to 3 of these mild and excellent Pills, for a child; from 3 to 4 for an adult; and from 5 to 6, for a grown person, carry off all bilious and morbid matter, and restore the stomach and bowels, curing and preventing all manner of bilious attacks, and many other disorders.

## SALTS AND CASTOR OIL.

No reliance can be placed on Salts or Castor Oil. These, as well as all common purgatives, pass off without touching the bile, leaving the bowels costive, and the stomach in as bad condition as before. Dr. Halsey's Forest Pills act on the gand-ducts, and carry all morbid, bilious matter, from the stomach and bowels, leaving the system strong and buoyant—mind clear; producing permanent good health.

## NOTICE TO THE PUBLIC.

In 1845, Dr. Hulsey's Pills were first made known to the public, under the denomination of "Hulsey's Sugar-coated Pills." Their excellent qualities soon gained for them a high reputation, and the annual sale of many thousand boxes. This great success excited the avarice of designing men, who commenced the manufacture of common Pills, which they coated with Sugar, to give them the outward appearance of Dr. Halsey's, in order to sell them under the good will Dr. Halsey's Pills had gained, by curing thousands of disease.

The public are now most representative ratio of the control of the control of the control of the curing thousands of disease.

An article which, in every respect, supersedes Sugar, both on account of its healing virtues, and its durability. The discovery of this improvement, is the result of a succession of experiments, during three years.
