

MARLIN

I NTEREST is being displayed in the use of smokeless powders and jacketed bullets in large calibre rifles. A .45 calibre bullet weighing 500 grains gives a shock to large game that the small bores can not always be depended on for. Marlin Model 1895 Repeaters have "Special Smokeless Steel" barrels. For up-to-date information see our catalog. Mailed for 3 stamps.

**The Sylvester
Gas & Gasoline
Engines . .**

Are beyond doubt the most complete and economical engine in the market. They are compact and perfectly under control, easily managed, get up speed immediately, thoroughly reliable, and where intermittent power is required they are just the thing.

They are built in sizes from 1 to 20 h.p., upright and horizontal, for pleasure yachts, boats, shops, farm work and any purpose where light power is required. Tell us to what use you want to put the engine, and what power you require, and we will name you prices.
