INVESTMENT OF SMALL SUMS

British Columbia Investments probably yield a higher rate of interest than any other part of Canada. We speak of Investments in the literal meaning. We do not mean speculations.

Mortgages in this Province yield from Six to Twelve per cent., according to term and amount of loan. The security is absolutely safe. The older a mortgage becomes, the greater the security to the purchaser on account of the remarkable development of the Province.

Agreements of Sale are another form of investment equally safe. In this class of security we can offer Agreements in which we guarantee a yield of from 10% to 12% on capital invested. We can place these in sums of from \$250 up. For a conservative investment there is nothing safer in Western Canada. Ask for further particulars.
