Popularity still increasing. The public may be
induced to make trial of goods that are exten-
sively advertised, but only such as have real merit
will continue to be called for. A permanent busi-
ness can be built up by the use of honest goods
only. The **COOK'S FRIEND** belongs to this
class, wherever it becomes known it sells itself, it
pays to handle such goods.

CAUTION!—No variation from, or addition to, the
exact name, "COOK'S FRIEND," is genuine.

Mercantile Summary.

We understand that Mr. W. R. Dean, late
manager of the Stadacona bank, has been
appointed inspector of the Quebec Bank.

A BRIGANTINE is being built at Dorchester,
which, when completed is to be loaded with lum-
ber and general cargo and sent to the Fiji
Islands. This is a new venture, says the Mon-
ton Transcript.

A HALIFAX daily states that the saw mill of
Messrs. Davison & Sons, at Bridgewater, the most
extensive lumbermen in Nova Scotia, will be
actively employed this season in cutting lumber
for foreign markets.

R. V. BARKER & Co., druggists of St. John N.
B., have assigned owing some \$17,000, some
preferences existing. They claimed a surplus at
last stock taking of \$4,000 to \$5,000. They
obtained a partial extension several years ago.

THE production of petroleum in the United
States was about one fifth, or say 6,000,000 gal-
lons, less last year than in the year preceding,
and stocks on hand were not increased at the
rate they had been. On 1st February last, the
net stocks in tank were 35,766,000 barrels.

HON. JOHN STEVENSON died in Napanee last
week at the age of 72. A Baldwin Reformer in
politics, the deceased was Speaker of the Ontario
Legislature in John Sandfield Macdonald's time,
and was afterwards interested in business in this
city. Latterly he had been engaged in the
Brush Works and other enterprises.

AN Ottawa despatch states that the large mill
of the Messrs. Caldwell at Carleton Place will
commence operations shortly. This mill would
be idle had it not been for the decision given in
the famous case of Caldwell vs. McLaren. Over
60,000 logs that have been held above Mr. Peter
McLaren's improvements for two or three years
will now be brought down. The same authority
declares that Mr. J. R. Booth, lumberman, is
building a five mile railway for himself between
Lake Nipissing and Lake Nobsong, to cost
\$100,000.

THE people of Montreal are moving in the
important matter of providing an asylum for
the Protestant insane of that city and neighbor-
hood who have heretofore been sent, perforce, to
the asylum of the Religious Ladies of La Provid-
ence, Longe Pointe. A public meeting was held
to consider the subject, and the committee
appointed thereat met on Tuesday last, Rev. Dr.
Potts in the chair. The city members, Messrs.
White and Gault, several clergymen and a num-
ber of influential citizens—among them Mr.
Alfred Perry, who has done much to call atten-
tion to the need for this asylum—are members
of this committee.
