PHOTOGRAPHY

MODERN Photography has made great improvements upon the old system during the past few years.

The change has been astonishing.

It is the same with you, and the time is come for you to pay a visit to the photographer—

From early times the monocle has had many supporters. England has been for years the stronghold of the monocle-wearer. That was because the Englishman realized the ease with which the monocle could be worn. So now, from the Beau Brummel of Victorian England, modern people have inherited the monocle and wear it as a fad decreed by the whim of Fashion. This is one of the season's most popular styles.
