

incorporated as an integral part of duly authorized military devices are destroyed or consumed for purposes not inconsistent with the objectives of this Convention, marked or rendered permanently ineffective, within a period of fifteen years from the entry into force of this Convention in respect of that State.

4. Each State Party shall take the necessary measures to ensure the destruction, as soon as possible, in its territory of unmarked explosives which may be discovered therein and which are not referred to in the preceding paragraphs of this Article, other than stocks of unmarked explosives held by its authorities performing military or police functions and incorporated as an integral part of duly authorized military devices at the date of the entry into force of this Convention in respect of that State.

5. Each State Party shall take the necessary measures to exercise strict and effective control over the possession and transfer of possession of the explosives referred to in paragraph II of Part I of the Technical Annex to this Convention so as to prevent their diversion or use for purposes inconsistent with the objectives of this Convention.

6. Each State Party shall take the necessary measures to ensure the destruction, as soon as possible, in its territory of unmarked explosives manufactured since the coming into force of this Convention in respect of that State that are not incorporated as specified in paragraph II (d) of Part I of the Technical Annex to this Convention and of unmarked explosives which no longer fall within the scope of any other sub-paragraphs of the said paragraph II.

Article V

1. There is established by this Convention an International Explosives Technical Commission (hereinafter referred to as "the Commission") consisting of not less than fifteen nor more than nineteen members appointed by the Council of the International Civil Aviation Organization (hereinafter referred to as "the Council") from among persons nominated by States Parties to this Convention.

2. The members of the Commission shall be experts having direct and substantial experience in matters relating to the manufacture or detection of, or research in, explosives.

3. Members of the Commission shall serve for a period of three years and shall be eligible for re-appointment.

4. Sessions of the Commission shall be convened, at least once a year at the Headquarters of the International Civil Aviation Organization, or at such places and times as may be directed or approved by the Council.

5. The Commission shall adopt its rules of procedure, subject to the approval of the Council.
