OECD COUNCIL MINISTERIAL MEETING AND VISIT TO TURKEY AND CYPRUS

The Secretary of State for External Affairs, the Honourable Don Jamieson, will attend the O.E.C.D. Council Ministerial Meeting in Paris on June 14-15.

The agenda of the meeting is intended to provide for an examination of the growing interdependence of the world economy, with a special reference to developing countries, and the prospects for concerted action by O.E.C.D. member countries designed to encourage sustained non-inflationary economic growth and promote positive adjustment to structural changes in their economies.

Ministers will also be asked to renew again adherence to the Trade Pledge which member countries adopted on May 30, 1974, undertaking to avoid the use of unilateral measures on trade and other current account transactions to relieve balance of payment problems.

After participating in the O.E.C.D. Meeting, the Honourable Don Jamieson will pay an official visit to Turkey and to Cyprus where he will visit the Canadian Contingent of the United Nations Force, June 16-20.
