

"Star Life Assurance Society."

FOUNDED 1843.

CAPITAL £100,000 STERLING.

NOTICE.

THE SUBSCRIBER having been appointed Agent for the above named institution, hereby gives notice, that he is prepared to transact the business of the Halifax Agency at the Office of Bell & Black, Upper Water Street, and requests all Policy Holders to pay to him, the premiums—becoming due after this date.

The privileges offered to Assurers in the STAR LIFE Office, are highly advantageous. Ninety per cent, or ninety-ninths of the profits (ascertained every fifth year) are allocated to the holders of Policies; which may be applied in the reduction of the future annual premium, or be added to the sum insured, as a Bonus.

Thirty days are allowed for the payment of the premium from the date of its becoming due.

All claims are paid within fifty days of their being allowed by the Board, and disputed claims referred to arbitration.

The dividend declared in 1848 was 62 per cent. on the premium paid, the largest Bonus ever given by any Company having agencies in this Country.

This Society is chiefly but not exclusively devoted to the Assurance of the lives of members of the Wesleyan Methodist Societies, and of the hearers and friends of that connexion. Assurances however, have been, and may be effected upon all assurable lives. Nothing need be said upon the propriety of persons assuring their lives for the benefit of their families or friends, when so many proofs are furnished by the experience of every day life. The advantages of a Respectable Company, with a large Capital and dividing handsome profits, are too obvious to need any comment.

All necessary Blanks and Pamphlets and every information furnished gratis, by the Society's Agent or Medical Examiner.
