Italian, are vague recollections of anecdotes related to me some years since; but from what source derived, I do not know. The Adventure of the Young Painter among the banditti is taken almost entirely from an authentic narrative in manuscript.

As to the other tales contained in this work, and indeed to my tales generally, I can make but one observation; I am an old traveller; I have read somewhat, heard and seen more, and dreamt more than all. My brain is filled, therefore, with all kinds of odds and ends. In travelling, these heterogeneous matters have become shaken up in my mind, as the articles are apt to be in an ill-packed travelling trunk; so that when I attempt to draw forth a fact, I cannot determine whether I have read, heard, or dreamt it; and I am always at a loss to know how much to believe of my own stories.

These matters being premised, fall to, worthy reader, with good appetite; and, above all, with good humor, to what is here set before thee. If the tales I have furnished should prove to be bad, they will at least be found short; so that no one will be wearied long on the same theme. "Variety is charming," as some poet observes.

There is a certain relief in change, even though it be from bad to worse? As I have often found in travelling in a stage-coach, that it is often a comfort to shift one's position, and be bruised in a new place.

Ever thine,

GEOFFREY CRAYON.

Dated from the Hötel Dr Darmstadt, ci-decant Hôtel De Paris, Mentz, otherwise called Mayence.
