ALEXANDRA COLLEGE, BELLEVILLE.

A portion of the Albert College Building is reserved for young Lady Students, who reside therein, under the supervision of a Preceptress, but attend the same Lectures and receive instruction in the same Classes as the Students of Albert College. Their Studies lead up to Diplomas—Mistress in the Liberal Arts, M.L.A.; and Mistress in Modern Literature, M.M.L. The Reverend W. P. Dyer, M.A., is the President, and Miss Ella Gardiner, B.A., the Principal, or Preceptress.

It is the aim of Alexandra College to provide for young Ladies an opportunity not only for thorough mental discipline, but for intellectual, social and Christian culture as well; and to discover and direct the varied abilities so as to insure their best use and broadest influence in the future. A good foundation for this general culture is laid in the earlier acquirements of any Course, while the later elective studies permit the choice of work suited to the taste, talent, or special purpose of the student.

The Ladies, except those who live at home or with relatives or guardians, reside in a portion of the Building devoted exclusively to their use, under supervision of the Preceptress, to whom Parents are earnestly requested to make such communications as may aid her in securing the highest welfare of their daughters.

All Students meet in general exercises. They enjoy the same privileges, subject to like conditions of entrance, and receive like rewards of honours.

To those selecting Music, Drawing, or Painting the College is able to offer as thorough and complete instruction as may be obtained in the Dominion.

The Business School furnishes practical instruction in the methods of transacting business and the almost indispensable art of good penmanship.

Students may take special subjects as they deem proper, but regular Courses of study are earnestly advised.

The Polymnian Society, Y.W.C.A., and Mission Band, which are conducted solely by lady students, afford excellent opportunity for work in special lines.
