Montreal, June 19.—(Special.)—The Jewish population has been considerably excited over a Grit falsehood, which stated that Hon. W. B. Ives had insulted the whole Jewish race. The following places matters in their true light:

rbrooke, Que.-The report circu "Sherbrooke, Que.—The report that lated by the Liberals that I insulted Mr. Boas, and through him our Jewish fellow-citizens generally, is entirely unfounded and untrue. Please contradict it. (Signed) W. B. Ives."
The telegram explains itself, and knowing Mr. Ives as I do, I have no hesitation in acceptin ghis denial. The report of the alleged insult to the Jewish comunity is an obvious canard, with a property of the election purposes, and bears its own contradiction upon its THE TROUBLE IS A COMMON ONE TO BRANTFORD

Politics at Fever Meat.

Political interest here is at fever heat, and every day brings better news for the Conservative cause. Your correspondent saw a letter to do. respondent saw a letter to-day from Quebec, in which the certainty was expressed that Mr. Angers would carry Quebec Centre, and that the Minister's brother-in-law, Hon. Thomas C. Casgrain would certainly defeat the other Langelier in Montmorency.

All doubt as to Hon. Mr. Desjardins' return in Rishelleu is now removed.

Consequently it is not probable that Sir Oliver Mowat will again trouble himself to come 300 miles and then be coolly asked to speak French. As a matter of fact, the typical French Rouge had been taught that Sir Ollver Mowat was a second St. Jean Baptiste, and when the little Premer could not speak French this was more than they had bargained for, hence disappointment—of the bitterest kind all spenlessness is caused by weakened

they had bargained for, hence disappointment of the bitterest kind all round.

Are you fully aware of the fact that sleeplessness is caused by weakened reves and disordered digestion? Dare you triffe with these terrible troubles, or belittle the results? Be assured that if your troubles are not cured, you may be led to a living death in some insane asylum, or to the awful end of the suicide.

The reports from Argenteuil, Soulanges, Huntingdon and several other doubtful counties indicate that the Government is gaining ground every hour, and it is said that a great many gentlemen who are to-day fairly sure of their election will sing a different tune on Monday next.

Dr. Lachapelle told your correspondent to-day that he was certain of victory in Hochelaga on Tuesday next.

Triple Alliance

That Has Won in Every Conflict. The Thre Great South American Remedies Never Fail in the Cure of Rheumatism, Kidney Disease and the Worst Forms of Indigestion.

The three great South American Remedies have been called into conflict with many a desperate enemy, but the case is yet to be recorded where they have not come out the victor. If we take South American Rheumatic Cure, the stories of the patients who have been cured by it read like a fairy tale. Mr. D. Desanetels of Peterboro suffered so besides of reference states of terribly from rheumatism that he was blistered by doctors ten different times, in as many different places, with the hope of draving the disease from his system. His hands were drawn out system. His hands were drawn out of shape and the fingers very nearly destroyed. His left leg had to be encased in a plaster of paris cast for months. One week after using South American Rheumatic Cure this patient was like a new man, and in a short time was completely cured.

When South American Kidney Cure is called into question, unlike pills and powders, and medicines of that kind, it immediately dissolves the uric acid and hardened substances that constitute immediately dissolves the uric acid and hardened substances that constitute this disease, and the system rid of these a cure is soon effected. Mr. D. J. Locke of Sherbrooke, Que., says he spent over \$100 in treatment for a complicated case of kidney disease, but received no relief. After taking a few doses of South American Kidney Cure he felt wonderfully helped, and to quote his own words: "I have now taken four bottles, and consider myself completely cured."

The worst forms of indigestion are cured by the use of South American Nervine. It acts on the nerve centres located at the base of the brain, from which come all nervous troubles and disorders of the stomach. Mrs. H. Stapleton, Wingham, Ont., says: "I had been troubled for a number of years with nervous debility, indigestion and dyspepsia, and had been treated by a number of the best physicians in Canada and England. I was ad-

ed by a number of the best physicians in Canada and England. I was advised to take South American Nervine, and must say if I had not done so I would not have been allve to-day. I will never be without it."

The use of Paine's Celery Compound is confidently, honestly and strongly urged for every sleepless, tired and nervous man, woman and child.
