Mr. O. A. Howland, M.L.A., referred to
the occurrence next year of several very in-
teresting anniversaries. The attainment of
the sixtieth anniversary of Her Majesty's
coronation appealed to the pride of every loy-
alist and patriot, and the celebration of the
four hundredth anniversary of the discovery of
North America. This was an event
of great importance to the Dominion of
Canada, and it was the duty of every
citizen to mark the occasion with a
proper celebration.A NATIONAL DEMONSTRATION.
He urged the necessity of a national de-
monstration in the coming year and moved
the following resolution:
That it be fitting that there should be a
national celebration in Canada of the sixtieth
year of Her Majesty's coronation, the four
hundredth anniversary of the discovery of
North America, and of the four hundredth an-
niversary of the voyage of John Cabot.That such celebration be as far
as possible universal throughout the Domi-
nion.
That the following is recommended by
this meeting for the consideration of the
Government of Canada and of the various
provinces and of this and other chief cities.
First—That a committee be appointed to
prepare a plan for the celebration to be pre-
sented on behalf of the people of Canada
to Her Majesty.Second—That on the 18th June, the date
of Her Majesty's coronation, a military
parade be held in the City of Toronto.
Third—That on the 24th June, under the
auspices of the Royal Society of Canada,
the foundation be laid in Nova Scotia of a
commemorative monument to the discover-
ers of North America, and that on the same date
there should be a general parade of the
military forces in the various cities and
towns of Canada, troops of colors and
bands of a grand salute to the flag of the
Empire.Fourth—That the North American Squa-
dron, accompanied by a fleet of other na-
tions, should be invited to unite in a naval
procession through the Gulf of St. Law-
rence to Quebec or Montreal.Fifth—That in their honor a grand inter-
national costume ball should take place at
Montreal on Dominion Day, and that the
military parades should be repeated on
that day.Sixth—That contemporaneously with the
Dominion Agricultural Exhibition the history
of Canada should be dramatically ex-
hibited by spectacles, historical military, li-
tary and dramatic, and that such collection
as far as possible be made per-
manent.Seventh—That a delegation be appointed
from this meeting to prepare a plan for the
celebration to be presented on behalf of the
people of Canada to Her Majesty.Eighth—That active and retired military
men and associations, the clergy, univer-
sities, students, school teachers or teach-
ers, throughout the country be solicited to
assist in securing the success of this pro-
gram.A FINE PROGRAM.
Mr. J. J. Withrow stated that the Indus-
trial Exhibition Association had in con-
templation a program of tableaux, and
referred to the resolution in con-
nection with the proposed Dominion Exhi-
bition.Mr. W. Fisher, President of the '06 Ver-
na, intimated that his association pro-
posed holding a demonstration next June
and expected to have 2000 veterans in line
in Toronto. He thought dates might be
arranged so that the two demonstrations
be held at the same time.The meeting adjourned and the commit-
tee, which numbers among its members
all the prominent active and retired mil-
itary and regular officers, will at once con-
sider its labors.IN TORONTO'S CIVIC CIRCLES.
A Petition for a Public Meeting to Con-
sider the Aqueduct Company's Offer
Interpreting Johnnie Hallam.The Parks and Gardens Committee
met yesterday afternoon. Chairman
Hallam brought up the matter of pro-
per protection for the buildings at
the Exhibition grounds. He intimated
that one watchman had been appoint-
ed, but the Chief of Police was of the
opinion that two men would be re-
quired to give proper protection.Ald. Boustead thought the most ef-
ficient protection would be afforded
by placing the entire responsibility up-
on the police force, rather than to de-
pend upon private watchmen.Industrial Exhibition Association urged
that the committee take prompt
action to prevent further loss by fire
and supported the proposition by Ald.
Boustead.The Police Commission proposed
that the Police Commission pro-
vide adequate protection to the pro-

erty in the Exhibition grounds.

Ald. Boustead took Ald. Hallam to
task for making charges and insinua-
tions against the foreman in Queen's
Park in the council unless he follow-
ed the matter up by having charges
investigated. The charges referred
to were most damaging to the official
in question, and he wanted Ald. Hal-
lam to state whether he intended to
make his charges good or not.Ald. Hallam: I want to state that I
am not going to make any
charge.Ald. Rowe: Then, do you withdraw
your statement?Ald. Hallam: I withdraw no state-
ment.Ald. Boustead pressed Ald. Hallam
to say whether he knew anything dis-
creditable about Mr. Charlton had done
during this year.Ald. Hallam: What is the use of en-
tering into a discussion when I tell
you that I do not want to make any
charges or to injure Mr. Charlton?Ald. Boustead: I have already
injured him very seriously.After his colleagues had still further
expressed their views upon the mat-
ter, Ald. Crane paid a high tribute
to the efficiency of Mr. Charlton, and
at a later stage of the meeting Ald.
Boustead submitted a resolution ex-
pressing disapproval of the chairman's
action, which was declared carried.Arrangements for flooding vacant
lots and paths for the taking of the
action, which was declared carried.Tenders were received for the sup-
plies required for the Isolation Hospi-
tal and the contracts were awarded
as follows: Milk, William Sylvester,
288 Wellesley-st. east; 13c per gallon
for summer months and 14c for other
seasons; groceries, John Lumbers, 147
Avalon-st. east; 13c per gallon; meat,
Thomas Berry, 234 Broadview-ave.William Carley, who intended run-
ning for alderman in the Fourth
Ward, was relieved from his contract
for supplying bread.AQUEDUCT COMPANY'S OFFER.
A petition has been handed to the
Mayor asking that a public meeting
be held in the Pavilion on Monday
evening for the purpose of considering
the nature, extent and terms of the
offer, and if any that the city of Toronto
may be justified in extending to the
Georgian Bay Ship Canal and Power
Aqueduct Company in the carrying out
of their undertaking. The resolution
is signed by E. F. Clarke, J. Kerr,
John C. Copp, J. W. Langmuir, Steap-
ton Caldwell, S. Nordheimer, James
Macdonald, James A. Ireland, Walter S.
Lee, John Stacey, W. Maclean, Larrait

Flett, A. B. Plummer, A. B. Ames, J. J.
Foy, Q. C.LOOKING TO THE ELECTIONS.
Now that the last month of the year
has been entered upon, aspirants for
municipal honors are coming to the
front. Every member of the city council
is a candidate for re-election, and
thereby created in No. 3 Ward, among
them being two old members of the
council, ex-Ald. Shaw and ex-Ald.
Steiner. The latter's friends in No. 2
Ward are anxious for him to run in
that ward also.In every one of the wards keen con-
tests for seats at the Council board
are anticipated. A large number of
candidates are being spoken of in each.
The 6th Ward takes the palm so far
in regard to the number of prospective
candidates, no less than 33 names hav-
ing been mentioned for the four seats.DEPARTMENTAL WORK.
Ald. Allen's sub-committee upon the
advantage of constructing a foot
bridge across the Don between Queen
and Gerrard streets met yesterday
morning. The City Engineer is to pre-
pare a report.The "Daniel Lamb" has been towed
