

GRAND TRUNK IN ARMS.

Appeals to Quash the Privy Council Judgment for City to Place a Subway or Crossing

AT DREADED LANSOWNE AVENUE.

Lord's Day Legislation by the Province—Is It Valid?—Mrs. Eves Wants Dower.

The Lansdowne Avenue crossing matter came up in the Privy Council yesterday before Mr. Justice Meredith. This was an application by the Grand Trunk Railway for an injunction to prevent the city from acting upon the order of the railway committee of the Privy Council, which gives them permission to place a bridge or subway at the crossing.

The railway company some time ago applied for the injunction, and the motion was enlarged, pending further particulars. Now the company is endeavoring to force a conclusion of the matter before the court, and to that end yesterday they have the motion fully disposed of. After considerable discussion between the opposing counsel, it was finally decided to give the city the injunction, and the railway company to pay the costs.

Lord's Day Legislation. The Court of Appeal will today hear the argument in the case of the Attorney-General of Ontario regarding the validity of the Lord's Day Act. The question to be decided is as to whether the Ontario Legislature has power to pass such legislation, and if it has not, whether the Act is valid.

The case is being heard by the Ontario Court of Appeal, and the decision will be rendered today. The case is of great importance, as it will determine the validity of the Lord's Day Act, which is a law that prohibits the sale of liquor on Sundays.
