WOODBRIDGE FAIR HAS 12,000 VISITORS

Time Honored Event Loses None of Its Interest—York County News Notes.

WOODBRIDGE, Oct. 15.—(Special)—A kind providence, and a good board of directors combined to render to-day's fair, nearly the fiftieth in its history, one of the best of the Village of Woodbridge has ever seen.

The day was ideal for a country fair, sunny and warm, and without the least suggestion of rain, tempting thousands of city people, and farmers for miles in every direction to participate in the hearty good cheer which is inseparable from Woodbridge fair.

Probably 12,000 people were on the grounds to-day, and a more thrifty and happy looking crowd it would be difficult to assemble in any part of the world.

The C.P.R. ran two heavy specials at 10.30 and 12.30 from the city, and another from the north, loaded to the doors, while every farm house in the five townships contributed its quota.

Among the thousands present a few of those noted on the grounds were: From the city: Dr. Orr, George H. Goodenham, M.L.A., W. J. Hill, W. J. Stark, R. J. Gibson, George Keith, Herman Simmers, and Dr. John Watson, Charles Dawson, Dave Spence and Tom Vance.

From Weston: J. Gardhouse, W. Shields, G. Rowntree, George Fisher, W. J. McEwen, Thos. Griffith, Larry Lemaire, Walter Longstaff and Reeve Robt Bull.

From West Toronto: Dr. Hackett, A. E. Rice, ex-Mayor Jesse Smith, Mr. Peters, John McLaughlin. From York Township: Reeve Geo. S. Henry, Deputy John Watson, and Councillors Jerry Nelson and Robt. Barker, and David Duncan. Others present were Dr. Forbes Godfrey, M.L.A., A. McCowan, M.L.A., T. W. Underwood, Adam Wood, John Thomas, W. W. Thompson, Sandy Doherty, Capt. Tom Wallace, Sam McClure, Mark Gardhouse and a host of others. Mark Gardhouse was absent.

In horses the show was magnificent success, especially in the draught classes, and a few of the winners are appended: Canadian-bred brood mare, Clydesdale—A. Reid 1, Jas. Nell 2, C. S. Gardhouse.

Draught colt—A. Reid 1, Jas. Nell 2, John Carr 3. Draught 3-year-old—George Garbutt 1, W. D. McEwen 2, J. Hill 3. Filly or gelding 2-year-old—J. D. Elliot 1, George Garbutt 2, A. Reid 3. Filly, 1 year old—R. Johnston 1, J. T. Peacock 2, G. Mapees 3.

In the sweepstakes class George Garbutt was the winner. In the 4-year-old draught class—A. J. Witherspoon 1, Sloan Bros. 2, and J. T. Peacock 3.

A large number of North Toronto-ians attended the Woodbridge Fair to-day. The finance committee opened eight tenders for \$29,856 toward 5 per cent. debentures. The Dominion Securities Co. were successful at 102.25.

WYCHWOOD, Oct. 15.—To-morrow (Friday) evening a debate will take place at the meeting of the Y.P.S. of the Presbyterian Church on the subject: "Resolved that a medicinal diet has greater opportunities of doing good than a Christian minister."

In addition to the mile race for juniors and the two and a quarter mile race for seniors, there will be an ex-pupils' run of four and a half miles. Wins Cup For Second Time on Bicycle Hamilton to Toronto—Royal Canadian Rider Does Distance in 2,41 3-4.

Great is Vennels. Great is the name Dunlop.

There was a crowd in front of the office of The Herald in Hamilton yesterday afternoon, and the attention of that crowd was centred upon a lone bicyclist in a red and white costume, who mounted a wheel and raced down the asphalt streets of the city.

It was J. W. Vennels, the redoubtable road racer, who had set out to make a record ride to Toronto to annex to his category of record by the Dunlop Trophy. Mr. Vennels chose the "middle road" between the two cities, a route of 41.9 miles according to the best of road maps. But he doubled his tracks to the extent of a mile and a half, and made a wrong course that added 2-1-4 miles to his ride.

The trophy for which Vennels rode, and which he won and now holds, has been donated by the Dunlop Tire & Rubber Goods Company for the best unpaired bicycle time between Hamilton and Toronto, starting from The Herald office, and finishing at The Star office in Toronto at 5.27 o'clock. His actual time for the distance was two hours forty-one minutes and three-quarters second, and that is going some.

The Dunlop Trophy, which is a silver cup, was presented to Vennels by the Dunlop Tire & Rubber Goods Company for the best unpaired bicycle time between Hamilton and Toronto, starting from The Herald office, and finishing at The Star office in Toronto at 5.27 o'clock.

When on their way they were run into by a vehicle driven by some Toronto people, and Mr. Leflar's horse was killed instantly by the collision. One of the men ran off to telephone to the police, but during his absence the reckless drivers managed to make their escape. The West Toronto police will try to locate them.

Two men started from Woodbridge last night to drive to West Toronto with a horse and rig owned by T. Leflar of High Park-avenue livery stable. When on their way they were run into by a vehicle driven by some Toronto people, and Mr. Leflar's horse was killed instantly by the collision.

One of the men ran off to telephone to the police, but during his absence the reckless drivers managed to make their escape. The West Toronto police will try to locate them.

The annual memorial service for C.P.R. employees who have been killed at the post of duty will be held in High Park-avenue Methodist Church on Sunday afternoon, Nov. 8.

A labor registration bureau has been established at Davenport-road Presbyterian Church, where an endeavor will be made to provide work for some of the unemployed of the district during the coming winter. Rev. Dr. Abraham is in charge, and can be communicated with by telephoning North 3505.

NORTH TORONTO. NORTH TORONTO, Oct. 14.—The legislative grant from the educational department of the province has been received by the treasurer of the school board and amounts to \$464.75, appropriate as follows: \$311 on population and average attendance, and \$153.75 a special grant rated on the basis of teacher's qualification and length of experience. Last year's grant was only \$284.

Finder will receive a liberal reward for the return of a lady's three oval rings to J. M. Letsche, Sherwood-avenue.

The opening meeting of the Independent Campaign in East Toronto, in the Oddfellows' Hall, Broadview-avenue, last night, was very enthusiastic. H. F. Borwick presided. The chairman of the committee, John Russell, was accompanied on the platform by Z. Hill, J. B. Duthie, S. Hicks and W. J. Convey.

The chairman described Mr. Russell as a man of whom they might well be proud. He said that on Mr. Russell's platform he had seen a man who he will go to parliament purely for the honor.

S. Hicks said that it was a curious coincidence word of note, that it was while Mr. Kemp was in England that an agent was established in London. On his return to Toronto he picked up a sign horse came over to take the place of English-speaking workmen. Mr. Kemp got the nomination from a bogus convention. Men were picked and called by postcard to a convention at only 7.55; he was nominated and the nomination declared closed.

"You followed that policy for years?" "I did not."

A Socialist speaker from the floor of the hall seized a chance to make a party attack on manufacturers in general.

Mr. Russell was given an enthusiastic greeting. He said he was still in the ring. He would, if elected, do his utmost to be of service to the voters of East Toronto. His policy was and is public ownership of the utilities. There is too much of monopoly of freight carrying. The only way to remedy these evils was by the government taking over the utilities.

He had worked all his life for the Conservative party, and in two campaigns had supported Mr. Kemp. The latter had been making a raw material and protection for his manufactured products. Mr. Kemp, instead of representing the community of East Toronto, has been making the most of representing his own firm.

He believed that the workmen of East Toronto, on Oct. 26, would bring Mr. Kemp out. If elected he would vote for measures on their merits, irrespective of who brought them down.

J. H. Duthie congratulated the electors of East Toronto on the qualities of their candidate. The reason there are grafters in both parties is because the big corporations have their smooth representatives in Ottawa, and the way to do away with grafters is for the people to own the public utilities now exploited by the municipalities.

Highway Robbery. CHATHAM, Ont., Oct. 15.—(Special)—Antonio Enlon, an Assyrian peddler, was knocked down and robbed by an unknown colored man on the Cemetery-road, a quarter of a mile from the city, this afternoon. Twenty-five dollars in cash and some jewelry was the booty.

Vennels' Great Bike Ride Annexes Dunlop Trophy

off his record. Another loss was near Bronte, where he got off the right direction and at Burlington he was thrown from his wheel when crossing the railroad tracks and although he recovered quickly he lost several minutes that would otherwise have gone to his credit.

But the time Vennels made, 2:41 3-4, includes all delays from mis-direction and accidents. That is the time it took him to cover the distance, yet he is now the holder of the trophy.

The race from Hamilton to Toronto was done in the presence of witnesses. Vennels was followed by an automobile, carrying Edward Willows, secretary of the race board of the C.W.A., and John Westren, another trustee of the Dunlop Trophy. In all the automobiles carried seven witnesses of the performance of the rider and their motor.

They were friends in need when Vennels dived, in the saddle, about a mile before reaching Bronte. He was followed by a bicycle rider, Anderson carried a bottle of water, which he passed to Vennels, which he drank as he rode. Herb Marshall and the sandwiches, passing them to Vennels as he rode beside him. Vennels was only out of the saddle twice between Hamilton and Toronto, once when he was spilled and once when he dismounted to cross the crown of a steep hill that was just a few yards too long. This hill was off the direct route and the bicyclist encountered it thru mistaking the direction.

The Name "Dunlop" a Winner. When the Dunlop name goes onto a car, it is bound to succeed. Yet this could not have chosen a better day for his run and apart from ten minutes lost time there was no delay, hitch ups or inconvenience anywhere. The bicyclist was not fatigued. "I am tired," said Vennels when asked how he felt at the Star office, but I am glad, but I am glad for a lot of riding yet."

He is an admirer, and having had his records and rode away, none the worse for his half century run.

The Dunlop Trophy is dedicated in the interests of true sport. Any amateur rider, holding a C.W.A. license, may take the trophy. The conditions are fully explained on printed forms, which may be had at The Star office from Mr. Willows or Mr. Howson, or at the branch office, 13 Temperance-street.

RUSSELL'S CAMPAIGN OPENED IN THE EAST Working Men Addressed by Independent Candidate in the East Toronto Riding.

It is reported that the negro was caught at Charing Cross late this afternoon.

SQUARE NEAR CITY HALL FOR REGISTRY OFFICE

Commissioner Harris Has Block of Land in View, But is Keeping Site Dark.

Commissioner Harris in a report to the property committee recommended the erection of a new registry office. He suggested the purchase of an extensive land area in the vicinity of the city hall, so that the new building could be isolated and protected from fire. He had a property in view, and the area around the building could be used as a public square. The report was sent on to council.

The police department will pay an annual rental of \$2840 for the new Pape-avenue station.

The request that a new approach to Toronto jail be laid out was made by a report on a new walk from a point further west to avoid the sharp incline will be made.

30,000 Working Days. Park Commissioner Wilson reported to the parks committee that he would provide 30,000 days' work for unemployed men in extending Exhibition Park, improving Christie-street, and pits and trimming trees. The board of control will fix the rate of wages.

The park commissioner will fix the terms upon which John MacGowan will be allowed to establish a two-horsepower motor on the top of High Park toboggan slide for drawing toboggans and sleighs up the slide.

The city engineer estimates, in connection with the exhibition eastern entrance, that it would cost \$107,000 for a bridge over the C. T. R. tracks at Bathurst-street and over the C. P. R. tracks west of the old fort. A bridge at Tecumseth-street would cost \$136,000 and at Strachan-avenue \$160,000. The controllers are against allowing a slaughter-house to locate on Givens-street.

Electrical Engineer Aitken wants two more assistants.

New Buildings. Among the building permits recently issued by the city are: H. B. Johnson, alterations to warehouse, on Don Esplanade, \$14,000; Keltz Building Co., six pair two-story roughcast dwellings, brick front, near Hallam, on west side Gladstone-avenue, \$18,000; W. P. Pety, two pair semi-detached two-story and attic brick dwellings, at 26-28 North-street, \$11,000.

Leg Broken. While crossing the tracks of the Metropolitan Railway Company, opposite St. Michael's Cemetery, yesterday morning, Thomas Mobley was struck by a car. His leg was broken. After being attended by Dr. M. M. Crawford, he was removed to St. Michael's Hospital.

Will Cost \$165,000. City Engineer Rust estimates the cost of constructing the viaduct, proposed by the park commissioner, from Niagara and Wellington-streets over the railway tracks to Garrison Commons at \$155,000.
