MISERER WILL VALID

Judge Snyder So Declares—Increased Salary for Collegiate Teacher.

HAMILTON, June 15.—(Special.)—Judge Snyder in the county court decided that Lemuel Miserer, who died at Ancaster on December 1, 1908, was of sound mind and that no undue influence was used in connection with the making of his will. His honor's decision was given in connection with an action instituted by Chas. Baughey of Ancaster, to establish Miserer's will. The deceased left his estate of about \$15,000 to Mrs. Baughey, his adopted daughter. This did not meet with the approval of William Miserer of Toronto, a brother of the testator. A special meeting of the internal management committee of the board of education considered what was to be done toward retaining the services of A. W. Dunlop and Charles S. Webster of the collegiate institute staff, who have been offered similar positions in Toronto. Principal Thomas of the collegiate has experienced considerable difficulty in retaining the teachers of late on account of the demand for them. The committee decided to put Webster on the same basis as the other teachers by increasing his salary to \$1,800 a year, but as Dunlop is already receiving that amount, no action was taken with regard to him.

N. TORONTO WILL VOTE ON TWO MONEY BYLAWS

Sewage and Parallel Roads to Be Submitted—County and Suburban News.

NORTH TORONTO, June 15.—(Special.)—The ratepayers of North Toronto will on Saturday, July 17, be accorded an opportunity to record their votes in favor of or otherwise of a disposal sewage system, and an up-to-date parallel roads system. This much was decided upon to-night when the town council almost unanimously passed the two necessary by-laws and at the same time appointed the necessary deputies and poll clerks. Mayor Brown and all the members of the council were present.

A good deal of other business was put thru, but the feature of the evening was the decision of the council to test the feeling of the ratepayers along these lines.

At a late hour to-night the condition

JANE STREET CROSSING.

York Township Not Likely to Give C. P. R. Rights Asked.

Appearances were seen to indicate that the C.P.R. in trying to gain permission to close Jane-street, have other motives in view than the mere laying of several extra rows of tracks. If the company ever gain permission to close the street in question, it will be an agreement arrived at when the case is heard before the railway commission. The York Township Council will never give their consent to have the street closed under the conditions proposed by the company. In putting this thoroughfare out of existence the C.P.R. would have a closed yard extending all the way from Edmonstone-street to the Hamber bridge, a distance of nearly three miles, without a single crossing. There would thus
