

CASUALTY LIST IS
NOT VERY HEAVY

Week-End Reports from Various Sources Name Thirteen Toronto Soldiers.

Casualties reported from various sources over the week-end among soldiers known in Toronto record the death of one lieutenant and three men, a sergeant and two men as being ill, and seven soldiers as having been wounded.

Lieut. Arthur B. Irving, son of the late Mr. Justice Irving, of Victoria, B.C., and grandson of the late Amos Irving, of Toronto, has appeared in the casualty lists for the third time since last October. He was first reported as having been wounded, then as being unofficially reported a prisoner in Germany, and now the official report gives his name as missing and believed killed. He was 26 years old, and a graduate of the Royal Military College. He went overseas in the early days of the war.

Pte. John Bell, reported in the last casualty list as killed, was believed by his wife to still be in England. Pte. Bell was 30 years old when he enlisted in Toronto, and had come here five years ago from Wales.

Pte. William Irving Taylor, reported killed in action, has been missing since June. He is now believed to have been killed by a high explosive shell. Pte. Taylor was a member of the East End Methodist Church.

Pte. James Cooley, of Weir, reported wounded a few days ago, has since died. He trained at the Exhibition camp.

Sgt. Thomas McDermott, reported seriously ill, was an experienced soldier. He has been in France since the very beginning of the war. According to the Ottawa despatch his wife and child live at 3 Grove street.

Pte. George R. Glasgow, according to a message received by his wife at 12 Stanley avenue, is in a casualty clearing station in France dangerously ill. He was born in Dundas, and came to Toronto a few years ago.

Pte. Valentine Smith, according to word received by his wife at 421 Church street, is dangerously ill in a hospital in France. He had been caretaker of the King street branch of the Home Bank.

Sgt. Charles Smith, whose name appears in the latest casualty list as having been wounded, had been a member of the 12th York Rangers before joining an overseas unit in Toronto. He is a native of Wales.

Pte. E. Wood, who formerly made his home at the Daily House, is among those wounded. He is 25 years old, a native of England, and unmarried. He trained at Camp Borden.

Pte. E. L. Willis, reported wounded, enlisted in Toronto, but his relatives live at Cannington.

Pte. Fred Edmunds has been wounded, according to an official message. He is 21 years old, and is reported to be in the United States to enlist.

Pte. Thomas Culbert, formerly of 67 Edwin avenue, reported wounded with gunshot in right thigh, was born in Belfast, Ireland, but was brought up in Scotland. He is 25 years old, and enlisted in Toronto.

Pte. T. R. Des, son of Mr. and Mrs. Thomas R. Deale, is wounded by gunshot in the right leg, and is dangerously ill. He is a native of Toronto, and a member of St. Ann's Church.

Driver Charles Hammond had made his home with his aunt, Mrs. M. Watson, 29 Vermont avenue. He is reported wounded by accident. He is unmarried, and had worked as a painter and decorator. He was born in Canada 13 years ago.

Ministerial Association Wants
Billy Sunday to Preach Here

At a meeting of the ministerial association yesterday morning in the Metropolitan Church, presided over by the president, Rev. W. T. G. Brown, a resolution was unanimously adopted that in co-operation with the other denominations of the city an invitation be extended to "Billy" Sunday to come to Toronto shortly after the war.

The care of returned soldiers and the holding of church parades was also under discussion, the general feeling manifested being that all denominations should participate in this work. Nothing definite was arrived at, but a committee was appointed to bring in a report on the matter.

"JOY-RIDERS" REMANDED.
Youths, Who Came to Grief on Harbord Street, Appear in Court.

On a charge of stealing a motor car from Colin Campbell on Sunday evening, Norman and Robert Goulet, Allan Bumpie and Russell Hill appeared before the police court yesterday. They were remanded till March 19. Bail was accepted. The youths pleaded not guilty.

The car is alleged to have been stolen by the four youths from outside Chalmers Church, Dundas street and Dovercourt road. During a race along Lippincott street, the police chain the "joy-riders," who were accompanied by four girls, collided with a street car, with the result that Mr. Campbell's car was hurled through Arnold's store, Lippincott and Harbord streets.

STOCK INCREASE FOR JOCKEY CLUB
Hamilton Organization Applies for Letters Patent to Enlarge Capital.

In reply to questions from Sam Carter, South Wellington, Hon. W. D. McPherson said there was no application from the Hamilton Jockey Club before the government to increase the stock so that each holder of a share, for which \$25 was paid, will receive a certificate for \$1000 for new stock. There is, however, an application for supplementary letters patent to increase the capital stock from \$100,000 to \$500,000 by creating 4000 shares of new stock at the par value of \$1000. The application is under consideration.

By supplementary letters patent granted on Nov. 14, 1910, the capital stock of the Ontario Jockey Club was increased from \$20,000 to \$200,000, dividing the capital into 200 shares of \$1000 each and declaring that the new shares should be allotted to the then present shareholders of the club, and that the shares before the granting of these supplementary letters patent should be applied on \$25 of the new shares of such increased amount.

Contrary to Companies Act. In reply to a question as to whether the government is aware that increased stock is being issued among the existing stock holders as bonus stock, Mr. McPherson replied:

By the Ontario Jockey Club, Ltd., the Ontario Jockey Club, Ltd., is authorized to issue bonus stock. Supplementary letters patent were granted to the Ontario Jockey Club, Ltd., increasing its capital stock from the sum of \$200,000 to that of \$500,000 by the creation of 4000 shares of new stock of \$1000 each, bearing date of November, 1916, he said.

The government was not aware that increased capital stock was distributed among existing stock holders as bonus stock.

As for the war tax payable under the Federal Act, the government had no knowledge of these matters.

PROGRESS OF CANADA SINCE CONFEDERATION
"Fifty years of Confederation" was the subject of John Lewis' address before the Canadian Club yesterday.

The speaker outlined how Canada, developing fast as a world power, had grown from a tiny colony to a nation of many millions, and that the progress of the country since 1867 had been a continuous one.

PRIVATE BILLS
IN LEGISLATURE

Soldiers' Votes, Provincial Roads and Street Car Overcrowding Are Dealt With.

A bill giving to councils of cities of over 200,000 power to pass measures to regulate overcrowding of street cars on the implementation of the medical health officer, and to impose a penalty of \$500 for each infraction thereof, was given its second reading in the legislature yesterday, and was referred to the municipal committee.

Another amendment to the Municipal Act was introduced yesterday. It provides that lands expropriated but not used, on the repeal of the bylaw shall return to the original owners without further conveyance or expense.

G. H. Gooderham introduced a bill to make the election of school trustees annual in the case of 200,000 and over. H. Muirgrove (North) also said the bill should apply only to municipalities that favored the principle; not one in ten favored it. After the premier had recommended it, the bill passed its first reading.

Capt. Thos. Magladery (Timiskaming), wounded at the front, made his first appearance in the house in the afternoon, when he was greeted with applause and numerous congratulations.

Hon. Elnah Macdonald introduced his bill to create a provincial highway system from the Michigan to the Quebec border. The principle of the bill was that the localities through which these trunk roads passed should bear only that portion of the cost which was required by a road for local use. The government, therefore, pay 70 per cent. of maintenance and construction, while the municipalities pay 30 per cent. In suburban areas the city and local authority will each pay 30 per cent., while the province will pay the remaining 40 per cent. The minister was not very clear as to the authority to define the limits of these "suburban" areas. The bill will be designated by order-in-council.

The government's bill to create a bureau of municipal affairs went through the committee yesterday.

All enlisted Indians will be specifically enfranchised, by an additional clause to the bill to give soldiers a vote, said Hon. T. McGarry in moving its second reading. Mr. Rowell pointed out that the bill made no provision for the enrolment of the natives of the 600 native reserves, and so non-resident under the present bill. This should be provided for, he said.

PROPERTY COMMITTEE DEALS WITH ESTIMATES
The property committee yesterday passed the 1917 estimates of the fire and architect departments and the jail without alteration. In each case the members seemed disposed to recommend salary increases, but as this is within the scope of the board of control only, the figures went forward unchanged.

The jail estimates show a decrease of over \$4000, as compared with the year 1916. This does not take into consideration the proposed reduction of the institution, and a further saving will be effected when the governor and deputy are pensioned.

The city architect department asks for \$68,389, or \$7,000 more than last year. More than \$3,000 of this increase is made up in salaries, with which the board of control will deal.

Proportionately also does the fire department demand increased funds. According to Chief Smith's figures it will require \$1,224,978 for 1917, as compared with \$1,176,444 expenditure in 1916. Nearly \$10,000 of the increase is made up in salaries.

A big deduction from Moore Park was successful in having the committee refuse to lift the residential restrictions from the Moore Park district. J. J. Fullerton was the applicant, and in lieu of lifting the restrictions he offered the property to the city for park purposes at \$20,000.

Subsequent certain conditions the committee lifted the restrictions from property at the corner of Bloor and Jarvis streets.

WILLS PROBATED
Rev. A. Logan Gieggle has applied for probate of the will of Pte. Francis Field Smith, who went overseas with the 83rd Battalion and was killed in action Oct. 2, 1916. The estate, consisting of \$1848 cash and \$1000 insurance, will be equally divided between his sister Marie, of Shrewsbury, England, his brothers, Edward of Toronto and Charles of Aberdeen, and Miss Isabella Sidon, a friend in Toronto.

Mrs. Edna Kilgour Hollister, sole beneficiary and executrix, has applied for ancillary probate of the will of her husband, Arthur Whitney Hollister, a clerk with Hollister, Barnes & Co. who died in New York July 18, 1915, leaving property valued at \$30,581.

STRUCK BY LORRY.
Well-Known Citizen Has Narrow Escape When Heavy Wagon Skids Into Post Box.

When a heavy lorry, driven by W. McMillen of 4 Home place, collided with a pillar box at the corner of Yonge and King streets yesterday morning, E. S. Jackson, 38 Shannon street, secretary of the Sportsmen's Patriotic Association, had a narrow escape from serious injury. Mr. Jackson was in the act of pulling a stamp from the machine when the lorry, loaded with rolls of paper and going west on King street, commenced to skid on the slippery pavement.

The driver tried to keep the vehicle to the middle of the road, but the rear end slid to the sidewalk. One roll of paper struck Mr. Jackson on the arm, then crashed through the glass top of the box. That part of the box containing the money and stamps remained intact.

T. S. R. APPEAL FAILS.
The appeal of the Toronto Street Railway Co. against a judgment of \$525 and costs in favor of Martin J. Bates, for malicious prosecution, has been dismissed by the appellate court at Osgoode Hall. The court was unanimous in sustaining the conviction of the lower court and rendered their decision without hearing the case of the defendant in the appeal.

COMFORT AND CURE FOR Baby's Skin Troubles
Dr. Chase's Ointment Cured When Baby's Body Was Covered With Distressing Eczema.

If every mother could try Dr. Chase's Ointment for the chafing, skin irritation and resulting eczema which tortures so many babies, what a blessing it would be for the little ones.

This letter will give you an idea of what a wonderful work this Ointment is doing in the way of bringing comfort to children who are so unfortunately afflicted with eczema. It is so easy for this trouble to develop from chafing or irritation caused by the clothing, and so difficult to get it cured, that Dr. Chase's Ointment is appreciated wherever it is used.

Mr. M. L. Ducloux, Postmaster, Duclouxville, N.B., writes: "I believe it is my duty to recommend Dr. Chase's Ointment as a cure for eczema. My baby was seized with eczema and his face and arms were covered with this terrible disease. After using all sorts of ointments the disease continued to spread until it covered the entire body. When the itching became bad he would scratch himself and was sometimes found in his cradle crying with pain. Hearing about Dr. Chase's Ointment, I bought two boxes, and before this was all used the child was cured. There was no more itching and no more crying. Dr. Chase's Ointment is to all who suffer from eczema as being the best treatment in the world for itching skin diseases."

Dr. Chase's Ointment is for sale by all dealers at 25 cents a box. It is a good idea to keep it at hand along with the bath soap, to be used for roughness of the skin chafing or irritation. Prevention is so much better than cure. Powders clog the pores, but Dr. Chase's Ointment cleanses the pores and thereby keeps the skin soft and smooth. Sample box free if you mention this paper. Music for the Man Who "Hasn't Time"

How often men lose their hold on some of the worth-while things of life because they "haven't time". How few men play the piano. Yet they love music. They know that nowhere could they find a more satisfying, a more splendid pleasure. To such men we offer the means of making music their personal hobby. Place a Gourlay-Angelus in your home. Not as a sort of "Hobby-home" investment. But as your personal pleasure. Then see how close music will come to you.

Gourlay-Angelus Player-Piano

The Gourlay-Angelus is an instrument, not a machine. It takes the place of the skill and knowledge of the musician. But it leaves you wide scope for expression—it leaves the warmth and soul of the music to you—for you to fit your own moods, your own feelings.

The musical world does not offer the busy man any greater benefit than the Gourlay-Angelus. The beauty of the music it enables you to produce—its splendid range of tone—its appealing style—and its permanent superiority—all recommend it to the man whose taste in all things is above the ordinary.

We may point out that the Gourlay-Angelus is a notable combination of the superiority of the pioneer player and the qualities of the Gourlay Piano.

If you are one of those men who have longed for music, let us show you the Gourlay-Angelus.

Gourlay, Winter & Leeming, Limited
188 Yonge Street
Toronto

War time demands call for simplicity, elegance and a measure of economy in style. We have two or three Gourlay-Angelus players in more costly and elaborate cases which we have decided to discontinue. These we are offering at prices that represent unusual opportunities. They can be seen at our showrooms.

Cutting Yourself Off-

When you leave the telephone receiver off the hook you cut yourself off from all other telephones in the system.

You also cause the operator a lot of extra work in trying to notify you that your telephone is temporarily out of commission.

By always replacing the receiver on the hook you keep your telephone door open and assist in maintaining good service.
