SUGGESTION GOVERNMENT IMPLEMENT CERTAIN  
RECOMMENDATIONS IN DAIRY POLICY—MOTION UNDER S.O. 43

**Mr. Roch La Salle (Joliette):** Mr. Speaker, pursuant to the terms of Standing Order 43, I request the unanimous consent of the House to present a motion dealing with an important matter.

As the government is due to announce its new dairy policy next April, as the dairy producers have found themselves in a dramatic situation for a number of years and as their problems are growing, I move, seconded by the hon. member for Elgin (Mr. Wise):

That this House unanimously urge the responsible minister to incorporate in his new policy the following recommendations: (1) That the government adopt a dairy policy applicable for five years; (2) That the Canadian Dairy Commission be granted the same authority and prerogatives as the Canadian Wheat Board; (3) That price indexing apply to dairy production as soon as prices fluctuate by 2 per cent, either way; (4) That imports of cheese be reduced to 15 million pounds; (5) That the new quota calendar be changed to lessen its seasonal character.

Those, then, are the few recommendations that must be included in the new dairy policy.

**Mr. Speaker:** Under the terms of Standing Order 43, this motion requires the unanimous consent of the House. Is there unanimous consent?

**Some hon. Members:** Agreed.

**Some hon. Members:** No.

MINISTER'S LETTER TO "OPERATIONS DISMANTLE"—MOTION  
UNDER S.O. 43

**Mr. Bob Wenman (Fraser Valley West):** Mr. Speaker, under the terms of Standing Order 43, in order to assure the security of the nation in light of the incredibly naive letter written by the Minister of National Defence (Mr. Danson) to "Operations Dismantle", expressing his personal view of Soviet military intentions and his belief that in a crisis the "senior actors" should be kept in the dark until the last minute, I move, seconded by the hon. member for Selkirk (Mr. Whiteway):

That this House urge the Prime Minister to give the Minister of National Defence a less demanding job more in keeping with this demonstrated inability.

UNITED STATES CITIZEN HIRED BY CANADIAN COMPANY—  
REQUEST WORK PERMIT BE DENIED—MOTION UNDER S.O. 43

**Mr. Stuart Leggatt (New Westminster):** Mr. Speaker, I rise under the provisions of Standing Order 43 on a matter of urgent and pressing necessity. In view of the decision by the directors of the publicly-owned insurance corporation of British Columbia, ICBC, to hire Mr. Robert Sherrell, an American, at \$80,000 per annum, in spite of the fact that there were some 100 applicants from Canada for the job, and in view of the fact that Manpower offices were, as usual, not involved in the hiring process, and in view of the fact that more than one million Canadians are without employment, I move, seconded by the hon. member for Nickel Belt (Mr. Rodriguez):

That the application for a work permit by Mr. Sherrell be denied in view of the many qualified Canadians available for this position.

**Some hon. Members:** Hear, hear!

**Mr. Speaker:** Such a motion can be presented for discussion only with the unanimous consent of the House. Is there unanimous consent?

**Some hon. Members:** Agreed.

**Some hon. Members:** No.
