

Orders in the Diocese shall have a thorough Theological training, to fit them for the several duties of the Ministry; and

Whereas there is no Institution within the Diocese wherein such training can be received in conformity with the doctrine and discipline of the Church of England; and

Whereas the Governors of King's College, Windsor, Nova Scotia, did unanimously on the 20th day of October last pass a resolution to apply to the Legislature to amend the Act of Incorporation of the said College so that the Bishop of Fredericton shall be one of the twelve Governors *ex officio*, and that such change be made in the Statutes Cap. III. sec. 1 as shall give the Bishop of Fredericton joint powers with the Bishop of Nova Scotia in the nomination of any future Professor or Professors of Divinity; therefore

*Resolved*, That King's College, Windsor, in the Diocese of Nova Scotia, shall be considered on and after the proposed legislation shall have been made, as the Theological School of the Diocese of Fredericton until one shall be established therein; and that his Lordship do recommend the same to Candidates seeking Holy Orders; and that his Lordship be respectfully requested, with the consent of the Society for the Propagation of the Gospel in Foreign Parts, to apply the Scholarships placed at his disposal to assist such Candidates as he may think fit, on condition that such Candidates do receive Holy Orders in this Diocese, and remain in the same not less than three years: it being understood that he shall be at liberty, should he see fit, to retain any of them for theological instruction within his own Diocese, under his own superintendence, during the period of preparation for Holy Orders.

Whereupon, the Rev. G. G. Roberts moved, and Mr. W. Carman seconded the following amendment:

That it would be more conducive to the best interests of this Diocese to establish as soon as possible, a Theological Professorship or School at Fredericton, in connection with the University of New Brunswick, in order that Divinity Students may be educated under the direct supervision and influence of our own Bishop, and in sympathy of feeling and associations with our own Diocese.
