NOTICE TO ADVERTISERS

Advertising for Saturday's Issue During the Summer Months Must Reach this Office Before 6 O'clock Friday Afternoon. Positively no Changes Can be Handled if Held Back Until Saturday Morning.

LATE LOCALS

Macaulay Bros. & Co's stores will be closed on Saturday, July 6th, at one o'clock and open till 10 p. m. Friday evening.

Battle line steamer Pandora sailed from Boston yesterday afternoon for this port to load deals for United Kingdom.

Yesterday's Halifax Chronicle says:—James McKay, of St. John, and Miss Annie Smith, of the Eastern Passage, were married yesterday afternoon by the Rev. Mr. Greston.

The reports dealing with the new light and buoys of the Bay of Fundy and elsewhere which were issued by the department at Ottawa some time ago have not yet reached this city. Marine and shipping men are greatly in need of the reports.

The announcement has been made of the engagement of Miss Arrie Izeta Williams, of Brooklyn, N. Y., to Mr. Harry Allen Thayer, of 119 South street, Holyoke, Mass. Miss Williams' mother, Mrs. E. Ross, lives at 40 St. James street, St. John, west side.

United States sailing yacht, Myrtle, in command of Captain C. S. Hilyard, arrived in port last night from St. John, Me., on a pleasure trip up river to Beulah Camp, with a party of three. The Myrtle's halting port is Machias, Me. She registers about five tons and is a trim looking craft.

SUPERVISED PLAYGROUNDS

Ladies Can be of Great Assistance—An Instance of the Value of Nature Talks.

The supervised playgrounds committee would be glad to have material for sewing and patchwork sent to the Centennial and Winter street grounds.

They would also be greatly assisted in their work if ladies would volunteer to visit the grounds and spend some time there from day to day. This could be done without severely taxing any one person, and would add very much to the interest of the children.

Yesterday when Miss Mabel Peters and Miss Leavitt went to the kindergarten department on the Centennial grounds the little ones greeted them with hearty applause. They remembered last summer's pleasure.

Mrs. Edward Sears spent all day yesterday on the playgrounds. There should be many ladies to give an afternoon now and then.

An interesting evidence of the interest that may be aroused among boys is told by A. Gordon Leavitt. Last summer Mr. Leavitt went to the park with a group of the children and gave a nature talk.

Among other things he showed and described a large moth.

Recently a boy came to Mr. Leavitt's office with a moth, saying he had found it in the park and thought it was exactly like the one he had heard described as often being out looking for things then described. The moth proved to be of the same species, and Mr. Leavitt mounted it for the boy whose natural taste for nature study has thus been aroused and encouraged.

Nature talks will doubtless be a feature of the playground work this summer.

A CROWDED HOUSE TO GREET CAPRICE

Indications are That There Will Not be a Vacant Seat in the Opera House Tomorrow Evening.

It is clearly evident that there will not be a vacant seat to be had at the Opera House tomorrow evening when Mrs. Pike's great four act society comedy drama Caprice will be presented by Theodore H. Bird, and leading home talent for the benefit of the deaf and dumb school, Lancaster.

When the seat sale opened at the Opera House this morning there was a large number of people waiting to procure the paste boards which will permit them to see the best amateur show ever given in St. John, and all day the demand continued until a very large number of seats have been disposed of. There are a few good seats left down stairs and a few more in the balcony, but those who desire to procure them must do so at once or else they will be taken.

Arrangements have been made to hold the I. C. R. and C. P. R. trains until the performance is over. The Middleville bus will also be held. Owing to the length of the programme and the long list of specialties the curtain will rise at 8 o'clock sharp, when all patrons are requested to be in their seats. The opening overture will be called at 7.45.

BOARDERS TO PAY OFF DEBT

Guild of St. Monica of Mission Church to Embark in Hotel Business.

A summer boarding house operated by an Anglican church organization is certainly a novelty in the lower provinces at least. Through the kindness of Mrs. Charles Lee, the Guild of St. Monica, of the Mission church of St. John the Baptist, has been privileged to embark on such a venture and from present indications the outlook is very encouraging. At the annual meeting of the Guild of St. Monica, held recently it was announced that Mrs. Lee had placed her pretty summer home, Mount Vernon, situated at St. George, at the disposal of the guild and was unanimously resolved to accept the offer.

A committee was appointed to take the matter of the hotel into consideration. Mrs. Lee and her family will remain at Mount Vernon during the summer and will pay board. There will also be accommodation in the house for about a dozen boarders while on the large veranda which is completely enclosed by glass, persons who desire to remain over Sunday can sleep comfortably in hammocks. Waterproof tents can also be pitched on the lawn. All will be in readiness for the reception of visitors about the middle of this month.

Mount Vernon is beautifully situated on the crest of a hill surrounded by 80 acres of land which forms a natural grove and overlooks the river which offers excellent bathing facilities. Mrs. Lee and Mrs. Raymond leave next week for St. George. It will be with the reasonable surty that when they return at the end of September, they will have at least come out even and with the earnest hope of the congregation that in the end something will be realized which will pay off the debt which now hangs over the Mission church.

SOLDIERS ON THE WAR PATH

Men of 62nd Regiment Started Citizens by Their Manoeuvres Last Evening.

Residents of Pitt, Princess, Leinster, King St. east, and Elliott row, were somewhat alarmed last evening when a large body of red-coated soldiers appeared, and breaking up into small detachments with scouts out ahead, they scoured the vicinity looking for an enemy. Hoarse orders were barked and the troops marched back and forth and things generally had the appearance of a time of trouble. Inquiry, however, showed the fact that the 62nd Regiment were having a march out and were just imagining that there was an enemy about. A large number of people were attracted from their homes to watch the manoeuvres.

TENDERS OPENED FOR NEW SCHOOL

It Will Cost Much More Than the School Board Expected to Spend.

The new school building on the Waldon lot is to cost much more than the trustees originally intended was shown last night when the tenders were opened. Some time ago leave was obtained from the government to issue \$40,000 bonds for the new school. Of this it was the intention to use \$35,000 for the building and \$5,000 for furnishings. The lowest tender submitted last night for the structural work, outside of plumbing and heating, was \$39,900. The lowest for plumbing and heating was \$7,000, a total of \$46,900. John Flood and Edward Bates, who sent in the lowest tender, included everything but the plumbing and heating in their figure of \$39,900. James H. Dood's figures for that part of the work were \$7,900. Those tenders were, on motion of Mr. Lockhart, accepted on condition that the board will be successful in getting from the government leave to issue up to \$30,000 in addition to the original \$40,000. James Sprout submitted a tender of \$36,668 for carpenter and mason work.

THE FISH MARKET

The local retail fish market is well supplied for this week. Salmon are practically done and the lobster season closed on June 30th. Salmon are higher owing to the increased demand of American dealers to stock up for the "4th," but future prospects indicate a lower figure. Retail prices range as follows: Cod, 5c; haddock, 5c; mackerel, 25c; abad, 25 to 35c; smelt, 12c; perch 6c lb; salmon, 15 to 25c; flinnan haddies, 7c; kippers, 24c; and bloaters, 24c.

PERSONALS

Miss Emma L. Colwell left by the C. P. R. last night for Muskoika Lake where she will spend her vacation as the guest of her sister, Mrs. Vincent of Winnipeg.

Miss Gertrude Macdonald, government stenographer has recovered sufficiently from her recent illness as to be able to leave the hospital in Fredericton.

Thos. Richardson, Portland; Alex. Tyndale, Toronto; George Urwin, Boston; Chas. Baskley, New York; Walter Mum, Boston, are at the New Victoria.

James H. McAuley

The death occurred at 8 o'clock this morning of James H. McAuley, for 77 years a respected resident at the Old Fort, Carleton. Mr. McAuley had been ill but a short time, of heart and liver trouble. He was in his 78th year, and his loss is mourned by his widow, Mrs. Rebecca McAuley, four sons, William, Thomas, Fred and Jacob; and two daughters, Mary and Nellie, and a wide circle of friends.

The funeral will be conducted by Rev. M. E. Fletcher, from the old home, 46 Middle street, at 2.30 p. m. on Saturday.

BANK CLEARINGS

Total clearings for week ending July 4th, 1907. . . . \$1,107,748
Corresponding week last year . . . 1,034,021

The Eastern Steamship Company's steamer Bay State, Captain Mitchell, is due from Boston and Maine ports this afternoon. This is the first trip of the Bay State to this port. She takes the Governor Cobb's place on the Boston route.
