RULES OF HEALTH FOR DYSPEPTICS

DIETING UNNECESSARY

There are two ways by which people who suffer from indigestion, dyspepsia, sour stomach, flatulence, etc., can overcome the trouble. First, as practically all cases of the above are directly or indirectly traceable to acidity and fermentation, they can eliminate from their diet all foods which ferment and form acid, such as all starches and sugar and foods containing them, thus prohibiting bread, potatoes, fruits and most meats. About the only safe foods are gluten breads, spinach and small quantities of white meat of chicken or turkey. This diet is almost a starvation one, but it is sometimes quite effective. The second way, which appeals especially to those who like to cat hearty meals of good foods, is to eat whatever is reasonably digestible, neutralize the acid and stop fermentation by the use of a good antdigestible, neutralize the acid and stop digestible, neutralize the acid and stop fermentation by the use of a good antacid such as bisurated magnesia, a teaspoonful of which in a little water immediately after eating or whenever pain is felt, instantly neutralizes the acid, stops the fermentation and permits the stomach to do its work without pain of lindrance. Owing to its simplicity, convenience and effectiveness this latter plan is now being adopted, instead of the old fashioned, expensive, weakening sturvation process. In this connection it is interesting to note that since the widespread use of bisurated magnesia was established, many druggists have arranged to supply it in 5 gr. tablets 2 or 8 of which are equivalent to a teaspoonful of the powder form and are much more convenient to carry.

Try This If You Have Dandruff

There is one sure way that never fails to remove dandruff completely and that is to dissolve it. This destroys it entirely. To do this, just get about four ounces of plain, ordinary liquid arvon; apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips.

By morning, most if not all, of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it, no matter how much dandruff you may have.

You will find, too, that all itching and digging of the scalp will stop instantly, and your hair will be fluffy, lustrous, glossy, silky and soft, and look and feel a hundred times better.

You can get liquid arvon at any drug You can get liquid aron at any drug store. It is inexpensive, and four lounces is all you will need. This simple

MORE BLACKMAIL ARRESTS New Prisoners Accused of Being Connected With Big Syndicate.

Chicago, Oct. 5.—Two more men and two women have been arrested by agents of the department of justice in a raid on a private apartment here and held in connection with the operations of the Great Mann act blackmailers' syndicate recently brought to light by federal officers.

recently brought to light by federal officers.

Pursuing their investigation of the case of a wealthy merchant of Cedar Rapids, Iowa, who is alleged to have been fleeced out of \$15,000 by the syndicate, federal officials took possession of a packet of letters said to have been written by the merchant to two Chicago girls whom he charges with having lured him to their apartment in Chicago where the blackmail was extracted.

The four persons arrested are alleged to have blackmailed a wealthy eastern manufacturer whose name is withheld. Federal officers said opium smoking outfits and great quantities of habit-forming drugs were found in the apartment.

Those taken into custody are: J. H. Golden, who said he was a real estate agent; Mrs. Grace Golden, his wife; John E. Lawrence, said to be a traveling salesman, and Mrs. Lawrence, his wife.
