WELL DONE BY OUR OWN 26TH

Battalion Has Made an Exceptionally Good Name

HIGHLY COMPLIMENTED

On Three Occasions Colonel McAvity's Men Have Won Good Words in High Places and They Feel Greatly Grati-

In a letter to F. W. Daniel, P. N. Nesbit, who is one of the officers of the 26th Battalion, makes the following remarks concerning the work done since the battalion arrived in England, which will no doubt interest Times' readers.

"As you no doubt will see from the papers, the New Brunswick battalion reached this side without mishap and we are housed in huts some four miles out of Shorncliffe. We are kept tremendously busy but it is extremely gratifying to know, and an honor to me, that a St. John man like yourself is hearing that the battalion has made an exceptional name for itself on this side and on three occasions has been highly complimented.

"During an inspection of the whole division by the G.O.C., General Steele made a particular opportunity of congratulating the colonel on the show the regiment had made. This was more than satisfactory in view of the fact that so many crack regiments were present.

"On a second occasion the battalion was congratulated on what is probably the most important part of its training, namely musketry, which was completed in what is probably a record time for the division. A staff officer stated that the men 'handled their rifles like veterans.'

"On a third occasion an inspecting officer quite unknown to ourselves had been watching us through glasses some miles distant and he made an opportunity of speaking to the divisional musketry officer congratulating him upon the excellent discipline maintained upon the range, stating that the practices were carried through in such an orderly manner that the men might have been on parade.

"It is extremely gratifying after the months of work that have been put in in St. John to find that the battalion should be so often commended by parties who undoubtedly were absolutely impartial. It is interesting to know also that, with the sole exception of the French-Canadian regiment, we are the only Canadian regiment in the division."

The Man In The Street

Some summer weather, eh?

But the chronic cough rises to remark that he would like this summer weather better if it came in summer time.

Never mind, it will soon be time for the ladies to leave off their summer furs.

Then what will they do for a change, adopt lace overcoats for winter?

Meantime the hunting season is coming and Maine will be issuing official casualty lists just like the European states.

But the happier thought is that the mosquitoes will soon be liberating.

Whole Navy Might Do It Von Tripps took a holiday and then resigned. Must have found that there was not enough difference to justify drawing his pay. There's no work for the German navy these days.

But the next chief admiral will not have to worry about where he will find his fleet. The German battleships have the habit of staying home at nights.

Just fancy inviting a German to join the navy so that he might enjoy a change of scene and climate.

Fifty Thousand in a Week The Kaiser might be asked to contribute a few dreadnoughts to the patriotic auction. He does not need them.

Speaking of the auction perhaps the city may be able to donate a large hunk of perfectly good concrete if the committee will call and take it away.

The cry would probably be "Boulevard souvenirs—low much an I offered."

Commissioner Potts evidently decided that the road to Indiantown should be paved with something more substantial than the street railway company's good intentions.

Judging from the Liberals' manifesto Prince Edward Island needs a change of government as urgently as New Brunswick does.

Bulgaria seems to prefer the brink to the battlefield.

It takes a much stronger reason to justify a reduction than it does to excuse a boost in the price of bread.

The chap who does not pretend to know anything about trade economics and that sort of thing was wondering why the opening of the Danubian canals was expected to influence the price of bread. "Surely," he queried, "they are not using loaves like mother used to make for cannon balls to bombard the forts, are they?"

Nothing to that theory, but the man in the street would like to change an old-fashioned bullet if he had a breast-plate some of the restaurant pies he has met.

Officially Berlin reports show that the Germans have captured several thousand Russian appetites on their latest Russian drive.

Until Tuesday next we won't know how Canada's minister of war will take another holiday in Europe. There'll be no papers Monday.

"The Open Door" The guard-room entrance has been closed to local newspapermen at central station, but we're still polite enough to let the commissioner of safety in the front way when he comes to visit us.

STIRRING RECRUITING MEETING IN HALIFAX

The following report of a recruiting meeting at Halifax is full of interest: One of the largest attended recruiting meetings on the parade was that of last night when there were stirring speeches from Rev. Dr. Foley and Private Knight, son of W. G. Knight, the George street tobaccoist, and Private E. G. Stairs of the 54th Battalion. The speakers were introduced by Lieutenant Micklewright, and the 6th P. L. F. band discoursed patriotic music.

Private Knight received a most enthusiastic welcome and his remarks were impressed on the minds of all who heard him in his appeal for men to serve the empire.

Private Knight is a Gordon Highlander who has seen a lot of service at the front in Serbia, and has sustained several bayonet wounds, from which he has recovered the worst phases of the war and had a narrow escape from death at the hands of the Germans. He declares he will go back to the firing line as soon as he recovers his health and the full use of his limbs. He was a member of a battalion which went into the fight 1,600 strong and came out of it with but a mere handful.

Private Knight said in part: "I am here to speak plainly to the young men of Halifax of the responsibility that rests upon them as citizens of no mean city.

"Count well the cost. I counted the cost, and I reckoned what the ultimate cost would be should I remain at home and not do my share in this struggle, and I found that I could not afford to remain at home.

"I am sorry to say that there have been men in Halifax who have said to me, 'let Belgium fight her own battles.' Let me tell you, men of Canada, men of Halifax, you cannot repay Belgium in blood what you owe her. Where would Canada be tonight if Belgium had not stopped the barbarian hordes, and given us time to prepare resistance? That's what Belgium did with her little army of 180,000 men. Not since the days of Christ upon this earth has such sacrifice been made; not since that day has this world faced such a problem, not since that day have men had to count the ultimate cost as they have today."

Private E. Geoffrey Stairs appealed to the mothers and fathers of the young men of Halifax to recognize their responsibility in making it easy for their sons to go.

WICE ADDITIONS TO MISS MCKEL'S FUND

In addition to the contributions already acknowledged by Mrs. Cecil R. McKel of Prospect street, Fairville, to provide comforts for the wounded soldiers under care of Miss Theodora McKel, nursing sister in one of the military hospitals in France, the East St. John Knitting Association recently donated the fine sum of \$100; Queen Square Methodist church Ladies' Aid, \$10, and "A Friend," Westfield, "E.C.," Roxbury, Mass., and Miss Hill have also generously subscribed.

FREDERICTON FUND IS GETTING LOW

The funds of the Fredericton branch of the Canadian Patriotic Fund are being drawn on at the rate of about \$2,500 a month and there are now only sufficient funds on hand for one month more. During August \$2,888.90 was expended. One hundred and forty families are now drawing on the fund. During August Treasurer Tennant received \$368 in subscriptions as well as the donations from the patriotic auction, steamer Victoria, Firemen's festival and other events, making a total of about \$4,000.

TWENTY-THREE DEATHS

The board of health has issued twenty-three burial permits during the week. The causes of death were: Cholera infantum, five; heart disease, three; pneumonia, two; cerebral hemorrhage, two; arterio sclerosis, two; phthisis, two; locomotor ataxia, gastro-enteritis, lobar pneumonia, aortic aneurism, malignant disease of liver and carcinoma of gall bladder, one each.

WHO WILL GIVE LAND FOR THE FUNDS?

Among the suggestions for increasing the patriotic fund is one from a resident woman who asks if it is possible to dispose of by lottery in aid of the fund. On the occasion of the drawing or auction a pie social or similar affair organized by the ladies of the district where the land lies, would add to the festivities and to the fund.

DEATH OF INFANT

The death of Gertrude May, eight months old daughter of Mr. and Mrs. Joseph McAleer, occurred yesterday at the parents' residence, 77 Victoria street. The funeral will be held on Sunday afternoon at 2.30 o'clock.

WOMEN RECRUITING

The ladies section of the recruiting committee have arranged for a mammoth public meeting in the Opera House next Thursday afternoon at three o'clock. Seats will be reserved on the platform for women who have members of their families at the front or in training for overseas.

HARMONY MALE GLEE CLUB

The Harmony Male Glee Club will reopen its second season. A limited number of new members will be taken in. Those desiring to join may apply at once to the director, Ernest Scott Peacock, or the secretary, R. L. Nobles, at the Bank of N.S.A. This fine musical organization won golden opinions by its work last year.

SUNDAY CONCERT

The sacred concert which was postponed from last Sunday will be given at the King Edward bandstand tomorrow evening if the weather is favorable. The committee of young men and young women who volunteered to assist for last Sunday are asked to meet in the band room tomorrow evening at 7.45 o'clock.

GAME FOR MONDAY

One of the most interesting baseball events of the season is planned for Monday afternoon. The Carletons and the Victorias of the South End league have tied for the leadership and it has been decided to end the season with the play-off between these two teams. The game will be called at three o'clock on Monday afternoon on the Shamrock grounds. The batteries will be Curlew, C. and F. McKel; Victorias, D. Doyle and F. Gorman.

LIGHTS ON BRIDGE

It was said today that many complaints had been heard about the lighting, or rather the lack of lighting on the Suspension Bridge now in process of demolition. The understanding is that archlights are to be placed in position at the bridge today, and that in a fortnight or three weeks, an up-to-date lighting system will be installed at the new bridge.

When You Return From the Country

And open up your town house, your rugs and carpets will need a thorough cleaning. It takes many hours of extremely hard work to do this in the old fashioned way, with a broom, but with our "SOVEREIGN" COMBINATION VACUUM CLEANER and SWEEPER it will be easy, and you will be surprised at the results. With its triple bellows it extracts every bit of dust from all through the rug (not merely the surface dirt as when a broom or ordinary sweeper is used), while the sweeper brush gathers up all the loose threads, lint, etc., leaving the carpet cleaner than if taken up and beaten.

We will be glad to send you one on trial, and you need not purchase it until convinced that it is the best cleaner you have ever used.
