FUNDS VOTED AT MEETING OF RED CROSS

Sum of \$100 Granted
To The Associated
Charities' Work

ASSIST BABIES

Mrs. Alfred Morrissey Is Re-
Elected President of
Local Branch

The St. John Red Cross society,
at its annual meeting yesterday at
the Commercial Hotel, re-elected
its former officers and expressed
great regret at the illness of the
president, Mrs. Alfred Morrissey,
whose devotion to the Society's
work had over-taxed her strength.
To meet the emergency of present
needs, the meeting voted \$15 for the
week's salary for the nurse of the
Mahoney quadruplets and authorized
the executive to appoint a committee
to co-operate with any other organi-
zation in an effort to raise funds for
the nursing care for the babies
while such care is still essential.

\$100 to Charities.

As the Red Cross Society co-oper-
ates with the Associated Charities
in carrying on its relief work for
soldiers' dependents, the sum of \$100
was voted to the Associated Char-
ities. The comparatively poor results
of the membership drive were spoken
of and the need of an educational
campaign to bring the support the
Society needed was specially stressed.
It was announced that the D.
S. C. R. had taken over the Memorial
Workshops and the Red Cross com-
mittee which previously had charge
had resigned.

Expenses had included \$757 spent
in relief work and while the balance
on hand was \$874.94, from that sum
there had to be deducted about \$250
due to the provincial Red Cross.

Provincial President.

Mrs. Margaret E. Lawrence pre-
sided. R. T. Hayes, M. L. A., pre-
sident of the provincial branch spoke
of the importance of the peace time
work of the society, particularly to
the Junior Red Cross, and the home
nursing branches as of chief impor-
tance and to the care
for soldiers' dependents. The need
of war time work must go forward.
Miss S. Barrington, organizer of
home nursing classes, said that no
greater work than the Society's
peace time policy of taking health
into the homes through the Junior
organization and the home nursing
classes.

Thanks to Officers.

The meeting's hearty thanks were
extended to the treasurer, R. G.
Wright, for valued assistance. To
Miss Ethel Hazen Jarvis, provincial
secretary, who has done splendid
work in the handling of relief pro-
blems, being able to deal with 106
cases last month, expending only
\$34.

Mrs. Longley was added to the
list of visitors and was to take
charge of the distribution of "The
Canadian Mother's Book" in homes
where babies had been born.

Officers for 1925.

The officers elected were as fol-
lows: President, Mrs. Alfred Mor-
rissey; vice-presidents, Mrs. P.
Stetson; second, Mrs. M. E. Law-
rence; third, Mrs. E. A. Schofield;
fourth, Mrs. A. Morrison; secretary,
Miss Alice Walker; treasurer, R. G.
Wright; additional members of the
executive, Mrs. T. H. Eatabrooks;
Mrs. J. H. Dwyer; Mrs. T. R. Mac-
Laren; Mrs. W. W. White; Mrs. C. F.
Sanford; Miss S. Payson; Mrs. L.
Isaac; Mrs. H. M. Baird; Mrs. John
McAvity; Miss Joan White and Miss
Frances Stetson. The visitors ap-
pointed were Mrs. Longley, Mrs. J.
D. Maher, Mrs. N. R. Wetmore and
Mrs. W. D. Foster.

LECTURE ENJOYED

Rev. R. K. McIntyre of Antigonish
Addresses Gathering in
North End.

That the findings of scientists very
largely paralleled and confirmed the
Biblical story of the order of creation
was the conclusion enunciated last
evening by Rev. R. K. McIntyre, B. Sc.,
M.A., professor of chemistry at St.
Francis Xavier University, Antigonish,
N.S., in his lecture on geological and
biological development, in the rooms of
the St. John (north) sub-division of the
Catholic Women's League.

The address, which was given under
the auspices of the League, was heard
by a large audience and at the conclu-
sion a unanimous vote of thanks was
tendered Father McIntyre on motion
of Miss Genevieve Dwyer, seconded by
Miss Marie Hansen, Miss Sarah Lynch,
president of the sub-division, was in
the chair.

Speaks of Fossils.

Father McIntyre dealt with the
various forms of geological formations
and his reference to fossils was particu-
larly interesting. He also described the
ascending orders of life in the biological
sphere and altogether gave an interest-
ing picture of the vital hierarchy.

Approaching his subject from the
spiritual side, Father McIntyre de-
clared that in the wonders of nature
men should see manifestation of the
power and goodness of God and be
moved to gratitude for it all.

Father McIntyre arrived in the city
yesterday from Cambridge, Mass.,
where he spent his vacation at his
home. He is on his way back to
Antigonish to resume his duties.

BEGIN WORK IN NEW VOCATIONAL COURSE

Garage Workers Take Advan-
tage of Enlarging Knowledge
at Classes Here.

The special course in automotive elec-
tricity and acetylene welding conducted
under the Provincial Vocational Board
opened in the city yesterday with W.
B. Main in charge and the registration
up to last night was so large that it
was planned to have groups of night
classes in order to accommodate every-
one. The course is for garage workers
and this is the second winter in which
the course has been conducted in St.
John.

Mr. Main said last night that he ex-
pected to have 18 men in the automotive
electricity classes and had already taken
on 10 in the welding classes. Regis-
tration is to be continued this evening
and those wishing to take the courses
may enroll at 205 Union street between
7 and 9 o'clock on Friday.

Welding Course.

The welding course is being conduct-
ed in the United Garage, Duke street
and the elementary course is in charge
of B. W. Kelly, of the Smith Foundry
Company, Fredericton, while the ad-
vanced work will be looked after by
Murdoch MacKay, of the Canada Liquid
Oil Co. Co. Halifax, and A. M. Gimble,
of the Prest-O-Lite Company, of Tor-
onto. Mr. Gimble will take charge of
the advanced work in welding and cut-
ting for the next two weeks.

The electrical course is being given
at 205 Union street and the men regis-
tered have been divided into two
groups, an elementary group for be-
ginners and an advanced group for ex-
perienced men. Mr. Main has charge
of the electrical course and the other
instructor is W. D. Gunn, of the
Fredericton Battery and Radio Service.

LOCAL NEWS

CHIMNEY WAS AFIRE.

A still alarm took the city-centre
chemical to the home of Mrs. Alberta
McIntyre, 51 New Brunswick street, at 10.30
this forenoon. The chimney was afire.
No damage resulted.

BITTEN BY CAT

About 1.30 yesterday afternoon a
cat was run over by an automobile in
Prince William street and badly in-
jured. Gilbert Pease, owner of 90 Vic-
toria street, picked the injured animal
from the street and for his kindness
was severely bitten on the hand.
The cat was dressed in Hawker's drug
store. The cat died shortly after be-
ing run over and was carted to the
dump.

MODEL SHIPS

Models of some Elizabethan ships,
copied from printed pictures by a
youth in the country, a small steamer
model and a large model replica of the
ocean greyhound Olympic are attract-
ing attention in a King street shop
window. The little ships are marvel-
lously well made and reflect credit up-
on their designer. The ship, which is
a large model of the Olympic contains
thousands of pieces of material and is
an especially fine ship. The work of
Vice Consul Carter, of the American
consulate.

AUDIENCE PLEASED

The Montclair Concert party gave
an excellent programme last night and
greatly pleased a capacity audience in
the Seamen's Institute. The chair-
man of the evening was Mr. Lawrence
of the ship's company, and he gave a
short address during an interval in
the programme. Each number was
heartily enjoyed and the programme
was as follows: Orchestra selection,
"Sweet and Low"; song, "Wait";
Mrs. Silk; comic number, Billy Wil-
liams; song, Indian Love Lyrics, Mr.
Polly; step dance, Mrs. Dempsey;
song, "Old Fashioned Town"; and
"Trumpeter" by Mr. Polly; song,
"Armen Star" and colloquy "Pipe
to the Song." "Ain't you got to
go to no mo'." the entire company.

As Hiram Sees It

"Hiram," said the
Times reporter to Mr.
Hiram Hornbeam, "I
saw a glass of Mrs.
Hornbeam's dandelion
cordial, there's to your
good health."
"Good health," said
Hiram— "an' drin'
heartily."
"Ah-h!" said the re-
porter.

"Speakin' of good
health," said Mrs.
Hornbeam, "I want to
tell you you're goin' to
have a tag-day for the
Health Centre. I told Hiram
he'd have to give two
tags—one for him an'
one for me. I ain't a
great hand for medicine."
"What's that?" broke in Hiram.
"What about the ginger tea and the
sals an' sceray—an' the sulphur an'
molasses?"
Mrs. Hornbeam gazed severely at
Hiram, and he shivered his feet uneasily.
"As I was sayin'," she went on, "I
aint a great hand for medicine, but I
saw the free clinics for children an'
other folks goin' on one day at the
Health Centre—an' I seen right away
what a blessin' it was to them that
need it most. I want to see that
summer camp for children at Fair
Vale last summer, too—an' when any-
body tries to tell me that aint the
Lord's work they git a piece of my
mind."

"They don't fertit it—nuthin'," ob-
served Hiram with a grin.
"Mrs. Hornbeam," said the reporter,
"I shall wear a tag in your honor on
Saturday."
"Not for me," said Mrs. Hornbeam.
"What for the poor little sufferers of the
town."

W. L. HARDING HEADS WEST SIDE BRANCH

Carleton Bible Society
Chooses Commissioner
As President

WORK IS TOLD OF

Need of Funds Stressed—Many
Again At Week Of
Prayer Meetings

Commissioner W. L. Harding was
elected president of the Carleton
Branch of the British and Foreign
Bible Society at the annual meeting
held last night in the Ludlow street
Baptist church in connection with the
week of prayer services. Mr. Hard-
ing succeeds Enoch Thompson, who
has rendered good service in the office
of president. Mr. Thompson was pre-
siding last night and gave an inter-
esting report of the wide circulation
of the Bible in remote parts of the
world through the society's endeavors.
The secretary-treasurer, C. B. Bea-
tey, reported that total receipts for
the year had been \$225.66 and the elec-
tion of officers followed.

Those elected were: President, W.
L. Harding; vice-president, the minis-
ters in Carleton, Reverends W. H.
Sampson, J. H. A. Holmes, W. McN.
Matthews, W. A. Robbins, Dr. C. H.
Freeman and F. T. Bertram; secre-
tary-treasurer, C. B. Beatey.

Tells of Bible.

The new president took the chair
and introduced Rev. J. M. Murchison,
secretary for the society in New
Brunswick and Prince Edward Island,
who was the chief speaker of the eve-
ning. Mr. Murchison extolled the vir-
tues of the Bible, telling of its power
to promote love, which would dispel
hate and discontent. The society, he
said, was the pillar to uphold the work
of missions, which without it could not
be successful in spreading the Gospel
message.

Speaking of the work here, he said
that Rev. Dr. Heine had distributed
to the passengers of one steamer dock-
ing in West St. John copies of the
scriptures in 25 different languages.
He stressed the need of money to main-
tain the society's work and said that
it was not by the amount of money
given that God was pleased but by the
smallness of the amount of money re-
tained by the giver. In closing he
hoped the Lord's blessing would rest
upon the branch.

Mr. Harding urged every one to visit
the Bible Society's rooms in German
street and learn of the work being
done. The scriptures were read by
Rev. J. H. A. Holmes. Rev. W. McN.
Matthews offered prayer and Rev. Dr.
C. R. Freeman pronounced the Benedic-
tion. During the service the full
choir of the church led in the music
and the solo, "Gently Lord, O Gently
Lead Us," was sung by Harold Mayer.
Miss M. E. Mullin was the accompanist.

Many At Services.

The attendance at the Week of
Prayer united services last night was
the largest yet and the attendance each
night has been in excess of that of
the previous evening. The subject of
the addresses last night was "Thanksgiv-
ing for blessings, material and spiri-
tual." Group one met in St. Mary's
church with Rev. T. Y. Kim con-
ducting the service. The speaker was
Rev. W. J. Johnson, of Coburg street
Christian church. Group two met in
the Queen's Square church with Rev.
Neil MacLauchlan presiding and the
address was given by Rev. J. S. Bon-
nell, of St. Andrew's church. Group
three met in St. Luke's church with
Rev. Canon R. P. McKim conducting
the service. The speaker was Rev. Dr.
David Hutchinson.

Rev. Neil MacLauchlan, pastor of
Queen square church, conducted the
largely attended service last evening,
which was under the auspices of
Group 2 in the week of prayer series
of meetings. On the platform with
Rev. Mr. MacLauchlan were Rev. S.
S. Poole, D. D. of German street
Baptist church, Rev. Hugh Miller, M.
A. of St. David's, Rev. J. S. Bonnell,
B. A. of St. Andrew's, Rev. A. D.
McLeod, Carleton street Methodist,
and Rev. Claude Stewart of St. Phil-
lips A. M. E. church. The choir of
Queen square led the hymns, with
Mr. Blair McLean, the organist, play-
ing the hymns and accompanying
William MacGowan in his helpful solo.
Rev. Mr. Bonnell gave an address last-
ing about eight minutes, with a mes-
sage of earnest import on the "Spiri-
tual and Material Things." Which
the People of God Should be "Grate-
ful." Those assisting in the devo-
tional service by prayer were His
Honor Judge George A. Hendrason,
John E. Murphy, Rev. Dr. Farquhar-
son and George A. Younger. The
service this evening will be in St. An-
drew's church and will be under the
auspices of the British and Foreign
Bible Society. Rev. Dr. Heine pro-
nounced the benediction. Rev. Mr.
MacLauchlan spoke with enthusiasm
of the large attendance. There were
many clergymen in the audience from
all Protestant churches.

PRESENTATION TO N. H. S. MUSEUM

Fashions of other days and materials
as they used to make them are both
exemplified in the latest gift received
by the Natural History Society, a pair
of trousers made about 1865. The
trousers were presented to the so-
ciety by John W. Sparden, of Freder-
icton, and were worn by his grand-
father, Charles H. Sparden. They are
made of a modest cloth, which is a
firm yet very soft and smoothly fin-
ished woolen material closely resembling
broadcloth and in color they are a
very pale pearl grey.

The material is as perfect in color-
ing and texture today as it was on the
day it was made and modern looms do
not often produce goods of such qual-
ity. Whether pickpockets fourished
greatly 80 years ago or whether it was
merely fashion to guard the contents
of trouser pockets, the trousers them-
selves are proof that in the old days
it was the custom to button up trouser
pockets.

C.C.M. Automobile SKATES
